O'Keefe called the meeting to order at approximately 5:20pm. O'Keefe asked if everyone had a chance to review last month's

meeting minutes. The minutes were approved unanimously.

1) Wrightsville Beach Bicycle Facilities Study: Mello presented the committee with the draft 30% design plans for the

Wrightsville Beach Bicycle Facilities Study. Smith made a motion to adopt a resolution supporting both option A (on-road

along Salisbury Street) & option B (on- and off-road along Pelican Drive). Staebler seconded the motion and it passed

unanimously. Resolution is attached to be signed by O'Keefe.

2) Discuss Living Here advertisement for WMPD BikePed Committee: Mello read a letter from the Star News regarding a potential

advertisement for the WMPD BikePed Committee in the annual magazine titled Living Here. After discussion, Mello made a

motion that the City on behalf of the committee would ask that the magazine include bicycling information free of charge. If

that fails, Mello would be authorized to pay for an ad for an amount not to exceed \$200. The motion was seconded by Brohaugh

and passed. Staebler was the lone nay vote.

3) Discuss moving meeting time to 4:00pm: O'Keefe recommended that the regular meeting time be moved from 5:15pm to 4:15pm in

order to conclude the meetings earlier. The committee agreed, barring any objections from those absent.

4) The next meeting was scheduled for August 13 at 4:15pm.

5) Other Business: None.
