Create and execute continuing, cooperative and comprehensive regional long-range planning efforts that proactively drive transportation decisions to improve safety, connectivity, economic development and quality of life in the Wilmington region.

**Wilmington Urban Area Metropolitan Planning Organization**

**Board**

**Meeting Agenda**

**TO:** Wilmington Urban Area MPO Board Members  
**FROM:** Mike Kozlosky, Executive Director  
**DATE:** September 11, 2018  
**SUBJECT:** September 18th meeting

A meeting of the Wilmington Urban Area MPO Board will be held on Wednesday, September 18th at 3 pm. The meeting will be held in the 6th Floor Conference Room at 320 Chestnut Street in downtown Wilmington.

The following is the agenda for the meeting:

1) Call to Order  
2) Conflict of Interest Statement  
3) Approval of Board Member Excused Absences  
4) Approval of the Agenda  
5) Public Comment Period  
6) Presentation  
   a. Carolina Beach Pedestrian Plan - Ed Parvin, Town of Carolina Beach  
   b. Commuter Friendly Employer Program - Nick Cannon, WMPO  
7) Consent Agenda  
   a. Approval of Board Meeting Minutes—August 29, 2018 (p. 3-7)  
   b. Resolution adopting the Town of Carolina Beach’s Pedestrian Plan (p. 8)  
   c. Resolution accepting donations for the Go Coast 2018 Commuter Challenge (p. 9-10)  
   d. Resolution endorsing the creation of the Wilmington Urban Area Metropolitan Planning Organization’s Go Coast Commuter Friendly Employer Program (p. 11-13)  
   e. Opening of the 30-day public comment period for the 2018-2027 STIP/MPO TIP Amendments # 18-5 (p. 14)  
8) Regular Agenda  
   a. Opening of the 30-day Public Comment Period for the Division Needs Tier Local Input Point Assignment (p. 15-25)  
9) Discussion  
   a. Transportation Alternatives- Set Aside Direct Attributable Funds Call for Projects  
   b. Go Coast 2018 Commuter Challenge (p. 26-27)
c. 2018-2027 STIP/MPO TIP Modifications # 18-8 (p. 28-29)

10) Updates
   a. Crossing over the Cape Fear River (p. 30)
   b. Wilmington Urban Area MPO (p. 31-37)
   c. Cape Fear Public Transportation Authority (p. 38-39)
   d. NCDOT Division (p. 40-46)
   e. NCDOT Transportation Planning Division (p. 47-48)

11) Announcements
   a. WMPO Bicycle and Pedestrian Advisory Committee- October 9th
   b. 2019 Bicycle and Pedestrian Planning Grants Due- November 2nd

12) Next meeting – October 31, 2018

Members Present
David Piepmeyer, Pender County
Brenda Bozeman, Town of Leland
Neil Anderson, City of Wilmington
Jonathan Barfield, Cape Fear Public
Transportation Authority
LeAnn Pierce, Town of Carolina Beach
John Ellen, Town of Kure Beach
Skip Watkins, New Hanover County
Frank Williams, Brunswick County
Eulis Willis, Town of Navassa
Mike Alford, NC Board of Transportation

Others Present
Mike Kozlosky, Executive Director, WMPO
Karen Collette, NCDOT Highway Division 3

1. **Call to Order**
   Mr. Piepmeyer called the meeting to order at 3:01 p.m.

2. **Conflict of Interest Statement**
   Mr. Piepmeyer read the conflict of interest statement and asked if any members had a conflict with any item on the meeting agenda. No members reported having a conflict.

3. **Approval of Board Members’ Excused Absences**
   Mr. Kozlosky stated that Steve Shuttleworth, Noreen Slattery, and Hank Miller have requested to be excused from today’s meeting. Mr. Watkins made a motion to excuse the absences of Mr. Shuttleworth, Ms. Slattery, and Mr. Miller. Mr. Anderson seconded the motion, and it carried unanimously.

4. **Approval of the Agenda**
   Mr. Kozlosky stated that staff sent an e-mail yesterday requesting that the Board consider adding a discussion item to the agenda regarding a recommendation for a letter of support for the Piedmont-Atlantic Intermodal Rail System Project.

   Mr. Williams made a motion to approve the agenda as amended, seconded by Mr. Anderson, and the motion carried unanimously.

5. **Public Comment Period**
   Mr. Alvin Rogers spoke to the Board regarding the College Road Improvements Project. He expressed concerns that Kerr Avenue has been omitted from improvements, since the improvement of College Road would impact it as well.

   Ms. Laura Trivett, former president of the Carolina Place/Ardmore HOA, spoke to the Board and requested a HAWK beacon at the intersection of 21st and Market Streets. She expressed concerns regarding the current lack of safety in crossing the road at this location and read two e-mails from present and former residents expressing similar concerns.

   Ms. Lynn McIntyre spoke to the Board and expressed concerns regarding solar farms in the inner city. Mr. Piepmeyer advised her that this meeting is an inappropriate forum for the topic.
Mr. Kozlosky introduced Mike Alford, newly appointed representative of the NC Board of Transportation. Mr. Alford expressed appreciation and gave the Board a brief overview of his professional background.

Mr. Kozlosky also acknowledged the presence of two alternate members serving today: Councilmember LeAnn Pierce from the Town Carolina Beach and Mayor Brenda Bozeman, representing the Town of Leland.

6. Presentation
   a. Military Cutoff Road Extension – Kevin Bowen, NCDOT

   Mr. Bowen gave an update on the Military Cutoff Road Extension Project. He displayed a map with ties to the US 17 Wilmington Bypass and alignment with the Hampstead Bypass coming in July of 2020. He noted that the Military Cutoff Road Extension is a $95.5 million project for six lanes of new location, which began in January of this year and is due for completion in four years (2021). He added that access will be full at two interchanges (Market Street and US 17 Wilmington Bypass) and some limited control of right turn accesses and directional crossovers at Putnam Drive, Lendire Road and Torchwood Boulevard.

   Mr. Bowen stated that a typical six-lane divided section from Market Street to one mile north of Torchwood will be curb and gutter with a raised grass median, and multi-use path and sidewalks. He noted that beyond one mile north of Torchwood towards the US 17 Wilmington Bypass, the typical section transitions to a shoulder with ditches. He gave a progress report on the project, which has been impacted somewhat by the weather. He added that 1.9 million cubic yards or 160,000 truckloads of excavated dirt from the north side will be expedited by a conveyor system bridging the Bypass rather than by truck. He noted that utility relocations have also been a challenge.

   Mr. Watkins expressed concerns regarding the visibility of traffic to residential neighbors. He suggested that vegetation be used as a buffer.

   Ms. Collette stated that residents seemed to have been satisfied with that suggestion.

   Mr. Bowen commented that residents were allowed to add plantings to fill in some of the gaps. He displayed photos of the initial work on the project, and examples of a conveyor system similar to the one on site. Currently, a portable concrete barrier is in place to facilitate work on ramps. In addition, work is in progress to connect the multi-use path from Ogden Park Drive to Market Street and Lendire Road.

   Mr. Watkins requested an update on improvements to Lendire Road to accommodate the additional traffic.

   Mr. Piepmeyer inquired about drainage pertaining to the southern bypass. Mr. Bowen responded that the ponds will be edged with a rock embankment. He noted that DOT is working closely with the developer, who is bringing the ponds to a standard to meet their permitting requirements. He added that drainage from the project is being handled independently from the ponds.

   Mr. Barfield inquired about the anticipated Level of Service (LOS) for Market Street. Mr. Bowen responded that he will forward that information when he has access to it.
Mr. Bowen stated that the missing gap in the multi-use path is anticipated to be filled by a shared utility easement. He noted that DOT is in negotiations with the contractor, Balfour Beatty, to haul most of the dirt now in order to avoid conflicts with work on the Hampstead Bypass, Section A, which overlaps this project.

Mr. Bowen gave a brief update on the Cape Fear Memorial Bridge HVB (High Value Bridge) Project. He reported that the project is on schedule. He noted that the Port expressed concerns regarding traffic congestion and safety of the anticipated two-week full bridge closure and planned detour of 22,000 to 23,000 trucks per month to Martin Luther King Jr. Boulevard, College Road, and Oleander Drive to the Port. Although completion will take longer, the work will be done instead during 24 nightly closures (9:00 p.m.-5:00 a.m., Sunday through Thursday, plus two full weekend closures) within a 50-day window starting September 18th. He added that the contractor (PCL) is not anticipated to take all of the additional 42 allowable bridge closures included in the contract. He noted that traffic will have to contend with a rough surface from milling.

In response to an inquiry by Mr. Williams, Mr. Bowen stated that DOT will distribute a press release regarding closures.

7. Consent Agenda
   a. Approval of Board Meeting Minutes – July 25, 2018
   b. Resolution approving 2018-2027 STIP/MPO TIP Administrative Modification #18-7
   c. Resolution approving 2018-2027 STIP/MPO TIP Administrative Amendment #18-3
   d. Opening of the 30-day Public Comment Period for 2018-2027 STIP/MPO TIP Amendment #18-4

Mr. Williams made a motion to approve the Consent Agenda as presented, seconded by Mr. Watkins, and the motion carried unanimously.

8. Regular Agenda
   a. Resolution supporting the Wilmington Urban Area Metropolitan Planning Organization Bicycle and Pedestrian Advisory Committee’s Draft Model Bike Parking Ordinance

Ms. Lorenzo stated that a draft model bicycle parking ordinance has been included in the agenda packet. She noted that it was developed by the Bicycle and Pedestrian Advisory Committee (BPAC) with the help of staff over the course of several months. She added that the model ordinance is intended as a fully adaptable resource for any jurisdiction interested in amending its code to include bicycle parking standards.

Ms. Lorenzo stated that the ordinance is designed to accommodate all jurisdictions, from urban to rural (less populated ones). She noted that feedback from members of the Technical Coordinating Committee (TCC) has been incorporated into the draft. She added that both committees (TCC and BPAC) voted in favor of recommending this ordinance to the Board for approval. A question/answer and discussion period was held.

Mr. Barfield made a motion to approve the Resolution supporting the Wilmington Urban Area Metropolitan Planning Organization Bicycle and Pedestrian Advisory Committee’s Draft Model Bike Parking Ordinance. Mr. Anderson seconded the motion, and it carried unanimously.
b. **Resolution amending the Board’s adopted 2018 meeting calendar for the September meeting**

Mr. Piepmeyer stated that he requested this item to change the date of the Board’s September meeting to September 18th.

Mr. Kozlosky reminded the Board that staff requested to change the September 26th meeting due to several conflicts. He noted that a poll was conducted and a quorum was ascertained; although, several representatives are unable to attend the alternate date.

Mr. Ellen made a motion to approve the Resolution amending the Board’s adopted 2018 meeting calendar for the September meeting. Mr. Williams seconded the motion, and it carried unanimously.

9. **Discussion**

a. **Cape Fear Moving Forward 2045 Preliminary Public Comment Results and Project Submittals**

Ms. Lorenzo gave an update on preliminary public comment results and project submittals for the Cape Fear Moving Forward 2045 Metropolitan Transportation Plan (MTP). She stated that the public outreach phase that started April 3rd just ended July 31st. She noted that staff attended 26 events and gave presentations over the last four months. She added that outreach included numerous newspaper articles and advertisements, WECT interviews and web ads, a social media meme campaign, and promotional partnerships with member jurisdictions, libraries, Wave Transit, billboards, environmental justice communities, and local universities.

Ms. Lorenzo stated that the online survey that opened on March 30th, closed July 31st with 2,287 responses. She added that the online mapping tool received 1,905 hits, 593 comments and 4,554 votes on comments, for a combined total of 7,404 responses. She noted that staff is in the process of sifting through the results to provide a full presentation on results in the fall. In addition, staff is also in the process of creating preliminary project lists to be considered by the modal subcommittees. She expressed appreciation to member jurisdictions their efforts in promoting public outreach.

b. **2018 Omnibus Funding**

Ms. Kimes stated that the MPO was awarded additional FY 2018 Omnibus funds, which will be unable to be used due to a strict timeline and scope of use. She noted that Ray McIntyre of NCDOT recommended that the funds be used on the Kerr Avenue U-3338C Project for a bridge structure in exchange for less restrictive funds.

Following further consideration, Mr. Anderson made a motion to proceed with the recommendation, seconded by Mr. Watkins and the motion carried unanimously.

c. **Letter of Support for the Piedmont-Atlantic Intermodal Rail System Project**

Mr. Kozlosky stated that the MPO received a request from NCDOT to support the Consolidated Rail Infrastructure and Safety Improvement Program Grant to the Federal Rail Administration for the Piedmont-Atlantic Intermodal Rail System Project. He noted that this is a regional project with improvements in Union County, Anson County and the City of Wilmington. He added that the project in the City of Wilmington would be to upgrade the beltline.
Mr. Kozlosky reminded members that the Board in June supported a resolution requesting that NCDOT accelerate the beltline improvements. He noted that the project was funded in the Statewide Mobility Tier of the prioritization process for right-of-way in 2025 and construction in 2027. He added that the Ports, this Board and DOT all desire to accelerate the project. He explained that the department requested a letter from the Board to support the grant application to the Federal Rail Administration. (A sample letter was distributed earlier to the Board members.)

Following further discussion, Mr. Williams made a motion to approve the letter of support, seconded by Mr. Barfield and the motion carried unanimously.

Mr. Piepmeyer stated that this project would have no negative impact on any other project.

9. **Updates**
Mr. Kozlosky stated that the updates are included in the agenda packet.

10. **Announcements**
   - WMPO Bicycle and Pedestrian Advisory Committee – September 11th

   Mr. Kozlosky stated that DOT has a call for 2019 Bicycle and Pedestrian Planning Grants, which is due November 2nd. He noted that the grant application requires a resolution of support from the MPO Board. He requested that any interested jurisdiction notify the MPO by October 1st in order to include an item on the agenda of the October Board meeting.

   Mr. Kozlosky introduced NCDOT Division Planning Engineer Catlin Marks, who replaced Alan Pytcher. Ms. Marks expressed appreciation and gave a brief overview of her professional background.

   Mr. Kozlosky stated that copies of the MPO Annual Report have been distributed to Board members. He also noted that NCDOT will release the Regional Tier of projects tomorrow.

   Mr. Piepmeyer reminded members that the next MPO Board meeting will be held on September 18th. He requested that a reminder be sent to members.

   Mr. Kozlosky stated that an update on the College Road improvements will be given at the Board’s October meeting instead of its September meeting.

11. **Adjournment**
   With no further business, the meeting was adjourned at 3:54 p.m.

Respectfully submitted,

Mike Kozlosky  
Executive Director  
Wilmington Urban Area Metropolitan Planning Organization

**THE ABOVE MINUTES ARE NOT A VERBATIM RECORD OF THE PROCEEDINGS.**  
**THE ENTIRE PROCEEDINGS ARERecorded ON A COMPACT DISC AS PART OF THIS RECORD.**
RESOLUTION ADOPTING THE TOWN OF CAROLINA BEACH PEDESTRIAN PLAN

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization provides transportation planning services for the City of Wilmington, Town of Carolina Beach, Town of Kure Beach, Town of Wrightsville Beach, Town of Belville, Town of Leland, Town of Navassa, New Hanover County, Brunswick County, Pender County, Cape Fear Public Transportation Authority and the North Carolina Board of Transportation; and

WHEREAS, the Town of Carolina Beach was awarded a grant from the North Carolina Department of Transportation to fund the preparation of the Town’s first comprehensive pedestrian plan; and

WHEREAS, the creation of the plan seeks to improve safety, encourage alternative forms of transportation, stimulate economic development, create opportunities for active and healthy lifestyles, enhance the overall quality of life and improve the Town’s chances to qualify for funding opportunities to design and construct pedestrian paths; and

WHEREAS, the plan is intended to assist the Town in guiding the policies for pedestrian transportation issues to include pedestrian transportation development, capital improvements, future Town Ordinance amendments and general guidance for facility design; and

WHEREAS, the planning effort began in May 2017 and the culmination of this planning effort is the final plan and report; and

WHEREAS, the Carolina Beach Town Council adopted the Town of Carolina Beach Pedestrian Plan on June 12th, 2018.

NOW THEREFORE, be it resolved that the Board of the Wilmington Urban Area Metropolitan Planning Organization hereby adopts the Town of Carolina Beach Pedestrian Plan.

ADOPTED at a regular meeting of the Wilmington Urban Area Metropolitan Planning Organization’s Board on September 18, 2018.

MEMORANDUM

To: Wilmington Urban Area Metropolitan Planning Organization Board

From: Nick Cannon, Transportation Demand Management Coordinator

Date: September 18, 2018

Subject: Sponsorship for the 2018 Go Coast Commuter Challenge

The WMPO’s Go Coast Program will hold its third annual Go Coast Commuter Challenge from October 1 to 26, 2018. Each year, local businesses in the Cape Fear Region donate items to the Go Coast Program to be given as prizes to top participants in the Commuter Challenge. This year, eleven businesses are sponsoring the prizes for a total of $845 in donations towards this event. The following businesses are donating gift cards, merchandise, or vouchers worth the specified dollar amount:

<table>

Wilmington Urban Area Metropolitan Planning Organization

City of Wilmington • Town of Carolina Beach • Town of Kure Beach • Town of Wrightsville Beach
County of New Hanover • Town of Belville • Town of Leland • Town of Navassa • County of Brunswick
County of Pender • Cape Fear Public Transportation Authority • North Carolina Department of Transportation
RESOLUTION ACCEPTING DONATIONS FOR THE WILMINGTON URBAN AREA METROPOLITAN PLANNING ORGANIZATION’S 2018 GO COAST COMMUTER CHALLENGE

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization provides transportation planning services for the City of Wilmington, Town of Carolina Beach, Town of Kure Beach, Town of Wrightsville Beach, Town of Belville, Town of Leland, Town of Navassa, New Hanover County, Brunswick County, Pender County, Cape Fear Public Transportation Authority and the North Carolina Board of Transportation; and

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization’s Cape Fear Transportation 2040 Plan includes a Transportation Demand Management element; and

WHEREAS, on January 28, 2015 the Board of the Wilmington Urban Area Metropolitan Planning Organization adopted Work Cape Fear: Expanding Commuter Options in the Cape Fear Region; and

WHEREAS, a goal of this plan is to mitigate the growth in traffic congestion and increase the ease of commuting; and

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization and Go Coast Committee plan to hold the third annual Go Coast Commuter Challenge to encourage and incentivize citizens in the Cape Fear region to use alternative modes of transportation for daily activities; and

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization has partnered with local businesses to receive donations in the form of prizes for top participants in the 2018 Go Coast Commuter Challenge.

NOW THEREFORE, be it resolved that the Board of the Wilmington Urban Area Metropolitan Planning Organization hereby approves the acceptance of donations in the amount of $845 for the 2018 Go Coast Commuter Challenge.

ADOPTED at a regular meeting of the Wilmington Urban Area Metropolitan Planning Organization’s Board on September 18, 2018.

Mike Kozlosky, Secretary
Go Coast Commuter Friendly Employer Program

Go Coast Commuter Friendly Employers have resources that may provide opportunities for employees to reduce the number of VMT (Vehicle Miles Traveled) for purposes of work. These resources enhance the commuter experience by decreasing the amount of time that a single occupancy vehicle is on the road. Commuter Friendly Employers will be recognized on the Go Coast website and in Go Coast publishing’s and newsletters. Receiving a Go Coast Commuter Friendly Employer designation can be a useful opportunity to retrain and retain employees, to work towards internal goals for sustainability and health, and to enhance employee culture.

An employer can receive three possible levels of Go Coast Commuter Friendly Employer. Bronze, Silver, and Gold. Each category expands upon the one before and include an increasing number of programs and services provided by the employer to its employees. An employer can receive a commuter friendly designation by completing the Go Coast Commuter Friendly Employee Application and sending it electronically to GoCoast@wilmingtonnc.gov.

**Bronze Level** Go Coast Commuter Friendly Employers meet at least one of the following criteria:

- Has at least one employee who serves on the Go Coast Committee and attends at least 50% of the Go Coast Committee meetings either in person or by conference call
- Promotes Go Coast events and services to employees such as the Go Coast Commuter Challenge and Go Coast Bike To Work Week, and Share The Ride NC

**Silver Level** Go Coast Commuter Friendly Employers meet at least two of the following criteria and one of the Bronze Level Criteria:

- Provides priority parking for carpoolers or vanpoolers in designated parking lots
- Promotes Share The Ride NC to employees
  - Provides STRNC website link on website and in other direct forms of commutation with employees
- Includes Go Coast efforts in new employee orientations
  - STRNC
  - Bicycle maps
  - Wave Transit maps
  - In-person presentation by the WMPO Transportation Demand Management Coordinator
- Has facilities such as dining, child care, or an exercise gym on worksite
- Provides facilities for active and sustainable transportation such as bicycle racks, skateboard racks, and electric vehicle stations on worksite

**Gold Level** Go Coast Commuter Friendly Employers meet at least one of the following criteria and two of the Silver Level criteria and one of the bronze level criteria:

- Offers Alternative Work Schedules to employees
  - An Alternative Work Schedule is a schedule that allows the employee to work outside of typical business hours in the hopes to mediate traffic congestion during peak traffic times. The employee can offer one of the following:
    - Flextime: allows employees some flexibility in their daily work schedules. This may follow a 5 day work week but allows the employee to work, for example, 7:00am-4:00pm or 9:00am-6:00pm
    - Compressed Work Week: allows employees to work fewer days but longer hours each day to follow at 40 hour work week. Common examples are four ten hour days, or four nine hour days and one 4 hour day.
    - Staggered shift: reduces the number of employees arriving and leaving at a worksite at one time beginning and ending shifts at different times. An example would be having a third of employees each work 7:00am-4:00pm, 8:00am-5:00pm, and 9:00am-6:00pm. Staggered shifts are created by the employer

- Offers Telework/Telecommute to employees when viable. Telework/Telecommute allows the employee to work from home on designated days. An example would be one day a week or one day every other week the employee is able to work from their home. This option omits a vehicle on the road at all.
- Provides alternative forms of transportation available for employee use such as shuttles, bicycles, park and ride lots, or electric vehicles on the employee site
- Subsidizes public transportation fees for employees or provides other financial benefits for employees who participate in active transportation
- Offers a parking cash-out: this option enables the employee to trade free parking for its cash equivalent or a percentage of its equivalent
RESOLUTION ENDORSING THE CREATION OF THE GO COAST COMMUTER FRIENDLY EMPLOYER PROGRAM

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization provides transportation planning services for the City of Wilmington, Town of Carolina Beach, Town of Kure Beach, Town of Wrightsville Beach, Town of Belville, Town of Leland, Town of Leland, Town of Navassa, New Hanover County, Brunswick County, Pender County, Cape Fear Public Transportation Authority and the North Carolina Board of Transportation; and

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization’s Cape Fear Transportation 2040 Plan includes a Transportation Demand Management element; and

WHEREAS, on January 28, 2015 the Board of the Wilmington Urban Area Metropolitan Planning Organization adopted Work Cape Fear: Expanding Commuter Options in the Cape Fear Region; and

WHEREAS, one of the high priority recommendations was to hire a full-time Transportation Demand Management Coordinator which occurred in 2016; and

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization and Transportation Demand Management Program Committee adopted the “Go Coast” brand to work with the region’s employers and stakeholders to help serve the transportation needs of the community; and

WHEREAS, the Go Coast Committee desires to implement a Go Coast Commuter Friendly Employer Program to recognize employers who encourage and enable employees to reduce the number of VMT (Vehicle Miles Traveled) for the purposes of work; and

WHEREAS, the Go Coast Committee has developed criteria by which employers may receive a Go Coast Commuter Friendly Employer designation and three levels that may be achieved.

NOW THEREFORE, be it resolved that the Board of the Wilmington Urban Area Metropolitan Planning Organization hereby endorses the creation of the Go Coast Commuter Friendly Employer Program.

ADOPTED at a regular meeting of the Wilmington Urban Area Metropolitan Planning Organization’s Board on September 18, 2018.

BIKE  BUS  CARPOOL/VANPOOL  ELECTRIC CAR  HYBRID CAR  SKATE  TELEWORK/TELECOMMUTE  WALK

LOG YOUR TRIPS TO WIN GREAT PRIZES

Download the mobile app ‘MY OPEN ROAD’ on your smartphone to log your trips.

Go to SURVEYMONKEY.COM/R/GCCC18 to register and visit WMPO.ORG/TDM for more details.

OCTOBER 1-26, 2018
GO COAST COMMUTER CHALLENGE

Download the mobile app ‘MY OPEN ROAD’ on your smartphone to log your trips.
Go to SURVEYMONKEY.COM/R/GCCC18 to register and visit WMPO.ORG/TDM for more details.

Top participants can win one of:
- Grocery basket from Trader Joe’s
- Grocery basket from Whole Foods
- Gift cards to Carolina Ale House
- Gift cards to Ogden Tap Room
- Sector 9 skateboard
- Painting from local artist Devon Keeler
- Gift card to Coastal Car Wash of Monkey Junction
- Free kayak rental from Hook, Line, & Paddle
- Free night at the Hampton Inn at University Area
- Two tickets to a performance at Thalian Hall
- Gift cards to Two Wheeler Dealer
- Gift card and goodies from Cast Iron Kitchen
- Draw string backpacks and cooler tote bags
- Water bottles and portable bluetooth speakers

Two $25 cash gift card raffles each Friday in September for registered participants.

Four $25 cash gift cards will be raffled after the commuter challenge to participants who logged at least one commute.

October 1-26, 2018

Cape Fear Crossing
STIP U-4738
Brunswick and New Hanover Counties

PROJECT STATUS REPORT
September 5, 2018

Project Description
The Cape Fear Crossing project is proposed as a roadway extending from the vicinity of US 17 Bypass and I-140 in Brunswick County to US 421 in New Hanover County, including a crossing of the Cape Fear River. The project is programmed in the 2018-2027 STIP for planning and environmental studies only using STPDA funding from the Wilmington MPO.

The following list includes tasks during the month of August:

Current Activities
- The project team continues to coordinate and correspond with project stakeholders.
- Studies for the Traffic Noise Analysis and Air Quality Analysis are ongoing.
- Due to updated designs, construction cost estimates are currently being revised.
- The Draft Environmental Impact Statement (DEIS) was submitted to FHWA, the Attorney General’s (AG) office, and NCDOT technical disciplines for review on 8/03/18.
- Public hearing maps are being prepared for the Public Hearing, to be held after the DEIS is approved and distributed.

Upcoming Activities
- The project team will revise the DEIS based on FHWA, AG’s office, and NCDOT comments once comments are received.
- The project team will coordinate with the State Historic Preservation Office (SHPO) on effects to historic properties based on revised designs.
- A newsletter will be sent this month to notify citizens of the remaining alternatives under study.

Past Activities
- The Crash Analysis Summary was finalized on 8/30/18.
- The revised project designs of the detailed study alternatives were finalized 6/15/18.
- The Traffic Capacity Analysis was finalized on 6/01/18.
- The NEPA/Section 404 Merger Team reached concurrence on 11/30/17 to eliminate Alternatives C, F, P, G, J, and V Freeway. Alternatives B, Q, T, M Avoidance, N Avoidance, and V Widening will be carried forward for detailed study in the DEIS.
- The update to the Natural Resources Technical Report was finalized on 9/19/17.
- The Essential Fish Habitat Assessment was finalized on 9/01/17.
- Right-of-Way cost estimates and relocation reports have been completed.
- The project team received final concurrence from the NEPA/Section 404 Merger Team on Concurrence Point 2A – “Bridging Decisions and Alignment Review” on 8/17/17.
- The NEPA/Section 404 Merger Team reached Concurrence Point 2A – “Bridging Decisions and Alignment Review” on 5/30/17.
- The project team received final concurrence from the State Historic Preservation Office on 5/26/17 regarding Section106 effects on historic resources in the project study area.
- The project team presented the status of the project and preliminary alternative impact analysis results to the WMPO TAC on 3/29/17.
- The Archaeological Predictive Model Update was finalized on 2/13/17.
- The NEPA/Section 404 Merger Team reached Concurrence Point 1 – “Purpose and Need and Study Area Defined” on 12/12/13; the NEPA/Section 404 Merger Team reached Concurrence Point 2 – “Detailed Study Alternatives Carried Forward” on 2/10/14.
- Technical documents that have been finalized are available on the project website under “Project Documents.”

2045 Metropolitan Transportation Plan

Project Description/Scope: The Wilmington Urban Area Metropolitan Planning Organization is required by federal law to update the Metropolitan Transportation Plan every 5 years. The last plan was adopted by the MPO Board on November 18, 2015. The next update is required to be adopted by November 2020. This plan will guide the regional transportation priorities and actions, and be used for project selection in the State/Metropolitan Transportation Improvement Programs. The MPO Board appointed a Citizen Advisory Committee (CAC) to help guide the development of this plan. A four month public outreach period was held between April 3rd and July 31st. There were 2,287 transportation survey responses, 563 comments on the public input map tool, and 4,554 votes on map comments, totaling 7,404 responses collected. In July, the six modal subcommittees began meeting with the initial task of developing modal goals and objectives.

Next Steps:
- The Modal Subcommittees are continuing to develop modal goals and objectives. These goals and objectives will provide the basis for development of modal policies and project scoring criteria later in the Fall/Winter. Draft goals and objectives are proposed to go before the CAC in October.
- WMPO Staff is in the process of assembling preliminary project lists for consideration by each of the modal subcommittees. These project lists will be assembled of projects proposed by the public, the WMPO’s member jurisdictions and planning partners, as well as projects included in the WMPO’s other adopted plans.
- Existing conditions and future needs presentations, presented by subject matter experts representing critical organizations on the modal subcommittees, will be given in September. These existing conditions and future needs will be summarized and reported to the CAC in October.
- Adoption in November 2020

Leland Street Design Standards Manual

Project Description/Scope: The Town of Leland is partnering with the Wilmington Urban Area MPO for the development of street design manual. These guidelines will guide new development towards the construction of streets that better align with the town’s values in terms of connectivity, multi-modal activity, maintenance, design, and safety. The Leland Street Design Manual will includes conceptual tables/graphics which will more easily convey the impact of standards on the physical landscape to the public and elected officials. A public meeting was held on December 4th to review the draft materials. The document was revised and a follow-up meeting was held on February 20th. Staff from the Town continues to work on the development of these standards. MPO staff met with the Town on May 22nd. The Town provided the MPO with a list of questions, proposed changes and comments. The MPO responded and the Town continues to review the document.

Next Steps:
- Continue to update the guidelines/manual per guidance from the Town of Leland
NORTHEAST NEW HANOVER COUNTY FUTURE STREET PLAN

Project Description/Scope: New Hanover County and the Wilmington Urban Area MPO are partnering to develop a Future Street Plan for Northeastern New Hanover County. This plan will serve as a framework for a future street system in the study area by examining how well the existing transportation system performs, developing multi-modal street design guidelines, and creating strategies for integrating land use and transportation development. The MPO and County have received a draft plan from the consultant. The County Planning staff are meeting with stakeholders. The plan will be revised by County and MPO staff to meet our needs.

Next Steps:
- Finalize Draft Plan in late fall
- Present information to New Hanover County Planning Board and Board of Commissioners

SITE DEVELOPMENT REVIEW

Project Descriptions/Scope: The Wilmington Urban Area MPO assists with site development and Transportation Impact Analysis review for the MPO’s member jurisdictions. During the last month, staff has reviewed the following development proposals:

- New Hanover County Development Plan Reviews: 2 reviews
- New Hanover County Informal Plan Reviews: 0 reviews
- New Hanover Concept Reviews: 0 review
- Town of Leland Formal Reviews: 2 reviews
- Town of Leland Informal Reviews: 0 reviews
- Town of Navassa Formal Reviews: 0 reviews

- COW Project Releases: 11 Full releases

STBGP-DA/TASA-DA FY 2013 to Present

STBGP-DA

U-5534B - CITY OF WILMINGTON- HEIDI TRASK DRAWBRIDGE (Under Construction)

Project Descriptions/Scope: This project consists of construction of a public walkway/pier underneath the Heidi Trask Drawbridge to provide for a safe crossing for cyclists and pedestrians across US 74 (Wrightsville Avenue) on the mainland side of the drawbridge in Wilmington.
Project Status and Next Steps:
- Construction contract awarded to Intercoastal Marine, LLC
- Resumed construction based on plan revisions on May 2, 2018
- Work is progressing on superstructure
- Anticipated completion date of November 28, 2018

U-5534C - WRIGHTSVILLE AVENUE/GRENVILLE AVENUE TO HINTON AVENUE (Design)
**Project Descriptions/Scope:** The project is for construction of intersection re-alignment improvements at the intersection of Wrightsville Avenue/Greenville Avenue and bike lanes and sidewalks along Greenville Avenue from Wrightsville Avenue to Hinton Avenue.

Project Status and Next Steps:
- 100% plan comments sent back to Engineer
- Specifications comments sent back to Engineer
- R/W acquisition completed Spring 2018
- The engineering firm is performing a QA/QC check on the plans to correct issues. Once revisions are received a new let date will be set

U-5534D - TOWN OF LELAND - OLD FAYETTEVILLE ROAD MUP (Design)
**Project Descriptions/Scope:** This project is for design and construction of a ten foot (10') wide multi use path, separate but adjacent to Old Fayetteville Road, beginning at or around the corner of the Leland Town Hall Campus and ending at the driveway of the North Brunswick High School.

Project Status and Next Steps:
- 100% Plan approval received
- Town mailed notices to all affected property owners for acquisition by condemnation of temporary construction easements and permanent drainage easements starting April 20th. The majority of condemnations have been filed – awaiting remainder
- Construction funds can be released once right of way certification and PCE consult are approved
- Construction contract let is anticipated Fall 2018

U-5534E & L - TOWN OF CAROLINA BEACH - ISLAND GREENWAY AND HARPER AVENUE BIKE LANES (Under Construction)
**Project Descriptions/Scope:** This project is for the design and construction of an off-road multi-use path that begins at Mike Chappell Park and winds along the existing cleared fire path and terminates at Alabama Avenue and the Harper Avenue bike lanes will consist of a bicycle boulevard on existing pavement on each side of Harper Avenue from Dow Road to Lake Park Boulevard

Project Status and Next Steps:
- Construction began in late January with completion expected by mid-September

U-5534F – CITY OF WILMINGTON – PARK AVENUE MUP – PHASE II (Design)
**Project Descriptions/Scope:** This project is for the design and construction of an off-road multi-use path between Audubon Boulevard and Kerr Avenue. The right of Way certification was received November 2, 2016.

Project Status and Next Steps:
• Plans and Technical specifications have been approved by NCDOT- NCDOT is waiting on final stamped plans
• Construction funds can be released once PCE consult is received
• Anticipated Let Date: To be determined once bid package approved

U-5534G – HOOKER ROAD MULTI-USE PATH (Design)
Project Descriptions/Scope: The project consists of the construction of a 10’ wide multi-use path along Hooker Road from Wrightsville Avenue to Mallard Drive/Rose Ave intersection

Project Status and Next Steps:
• The City has provided the executed revised scope and amendment to McKim & Creed
• Issues with the plans continue to exist. McKim & Creed is working on revising the plans
• Anticipated Let Date of Winter 2018

U-5534H – HINTON AVE MULTI-USE PATH (Design)
Project Descriptions/Scope: This project consists of the construction of a 10’ wide multi-use path along Hinton Avenue from Park Avenue to Greenville Avenue.

Project Status and Next Steps:
• The City has provided the executed revised scope and amendment to McKim & Creed
• Issues with the plans continue to exist. McKim & Creed is working on revising the plans
• Anticipated Let Date of Winter 2018

U-5534I – VILLAGE ROAD MULTI-USE PATH EXTENSION
Project Descriptions/Scope: The construction of a 8 foot wide concrete path from the connection at the Brunswick Center at Leland across the front of the library property, down Village Road, ending on the western edge of the First Baptist Church property before the Sturgeon Creek Bridge.

Project Status and Next Steps:
• 100% Plans approved by NCDOT
• Right of way acquisition underway
• Right of way Certification- TBD
• Encroachment agreement needed once right-of-way finalized
• Let date will be delayed to match up with “J” project

U-5534J – OLD FAYETTEVILLE LOOP ROAD PEDESTRIAN LOOP
Project Descriptions/Scope: The construction of sidewalks in three locations: 1) The construction of an 8 foot concrete sidewalk along Village Road from Town Hall Drive to the apartment complex and widening the existing 5 foot sidewalk in front of the apartment complex to 8 feet. 2) The construction of a 6 foot sidewalk along Town Hall Drive from Village Road NE to the sidewalk that exists by the new Town Hall. 3) The construction of a 5 foot sidewalk along Old Fayetteville Road from the existing sidewalk in front of the apartment complex to Village Road NE.

Project Status and Next Steps:
• 100% Plans approved by NCDOT
• Right of way acquisition underway
• Right of way Certification- TBD
• Encroachment agreement needed once right-of-way finalized

U-5534K –LELAND MIDDLE SCHOOL SIDEWALK

Project Description/Scope: The construction of 5 foot wide concrete sidewalk adjacent to Old Fayetteville Road from Ricefield Branch Rd to the US Hwy 74/76 overpass after Glendale Drive with connections to Leland Middle School and the surrounding neighborhoods.

Project Status and Next Steps:
• 100% Plans approved by NCDOT
• Right of way acquisition underway
• Right of way Certification - TBD
• Encroachment agreement needed once right-of-way finalized
• Let date will be delayed to match up with “J” project

U-5534N SHIPYARD BOULEVARD SIDEWALK

Project Description/Scope: The construction of a sidewalk and bus pull-out along Shipyard Boulevard between Vance Street and Rutledge Drive. This will be a partnership between the City of Wilmington, Cape Fear Public Transportation Authority and Wilmington MPO.

Project Status and Next Steps:
• 100% plans approved by NCDOT; Spec comments resubmitted to NCDOT
• Additional funds received
• Anticipated let date Fall 2018

U-5534Q –S. College/Holly Tree Crosswalks

Project Description/Scope: The project will install sidewalk, ADA ramps, curb and gutter, markings and traffic signal revisions required to install actuated pedestrian crossings of S. College Road and crossings on Holly Tree Road.

Project Status and Next Steps:
• The project has been put on hold until NCDOT’s College Road resurfacing project occurs

U-5534S (Formerly U-5534M)- Coral Drive Sidewalks

Project Description/Scope: The construction of sidewalks along Coral Drive will install approximately 954 feet of 5 foot wide sidewalk on Coral Drive adjacent to Wrightsville Beach Elementary. The Town hired SEPI to complete the design.

Project Status and Next Steps:
• 100% plans (sealed) and specifications have been approved by NCDOT
• The Town is in the process of getting temporary construction easements and 2 permanent easement
• Construction funds can be released once PCE consult is received
• Anticipated Let Date: Winter 2018

U-5534T – Traffic Signal Preemption
Project Description/Scope: This project will install traffic pre-emption equipment at 27 locations throughout the City of Wilmington and GPS devices on fire apparatus.

Project Status and Next Steps:
• 90% design completed
• 100% plans 3 weeks after NCDOT/City review
• Anticipated bid date of Fall 2018

U-5534U – Navassa Park Multi-Use Path
Project Description/Scope: This project will construct bike lanes on both sides of Brooklyn Street, a multi-use path connecting Brooklyn Street to the Navassa Park, and a multi-use path through the Navassa Park forming a loop within the park.

Project Status and Next Steps:
• Scoping meeting held with NCDOT
• PE funds were released at the December 2017 Board of Transportation meeting
• Scope and fee with manday estimate is currently being revised per NCDOT comments

TASA-DA

U-5527B CITY OF WILMINGTON – 5th AVE INTERSECTION UPGRADES
Project Descriptions/Scope: This project is for the construction of high visibility crosswalks, curb ramps, and pedestrian activated signals on 5th Ave at the Dawson Street and Wooster Street intersections.

Project Status and Next Steps:
• A supplemental agreement for additional funding was approved by the Wilmington City Council on September 5, 2017
• The supplemental agreement was approved by the Board of Transportation
• The project is over budget. The City is currently working on the rebid package. The project will be bid with the Gregory/Williston Safe Routes to School project

U-5527C NEW HANOVER COUNTY – MIDDLE SOUND GREENWAY – EXTENSION TO MIDDLE SOUND VILLAGE
Project Descriptions/Scope: This project is for the construction of a multi-use path along Middle Sound Loop Road from Oyster Lane to the Middle Sound Village property line.

Project Status and Next Steps:
• 35% Design submitted for review
• Anticipate 70% plans by October 2018
• Anticipated construction bid May 2019
U-5527D HARPER AVE. MULTI-USE PATH

Project Descriptions/Scope: The construction of approximately 2104 linear feet of 10’ wide paved multi-use path along Harper Ave. from Dow Road to 6th Street

Project Status and Next Steps:
- NCDOT Agreement is in place
- PE funds authorized August 2, 2016
- Draft LOI for PE Services submitted and being revised by the Town
- Advertisement of PE Services is anticipated in Summer 2018
- Anticipated let date: Spring 2019

TRANSPORTATION DEMAND MANAGEMENT PROGRAM

Project Description/Scope: UNCW is taking the role as lead employer for the Cape Fear region. The WMPO will coordinate with UNCW to work with other major employers in the region to identify opportunities for public outreach, marketing, carpooling, vanpooling, alternative/compressed work schedules, Emergency Guaranteed Ride Home, park and ride lots, etc. The MPO adopted “Work Cape Fear: Expanding Commuter Options in the Cape Fear Region” TDM Short Range Plan on January 28, 2015 and also authorized staff to apply for a TDM grant through NCDOT that if approved would fund a full-time TDM Coordinator position. The Agreement with NCDOT for the full-time TDM Coordinator position was approved on November 4, 2015. The TDM Coordinator position has been filled with the new employee starting on May 14th. The TDM program will work to increase active transportation initiatives and increase community knowledge of commuter options. The WMPO is working with the city of Wilmington to implement a bike share program.

Next Steps:
- Finalized Strategic Marketing Plan
- Increase social media presence for Go Coast program and initiatives
- Communicating with ride share/commute tracking applications to develop commuter tracking for 2018 Commuter Challenge
- Have grown Go Coast/TDM committee by seven members
- Completing Commuter Challenge donations from local businesses
- Gather model alternative work schedule policies from various regional employers to be highlighted in the statewide initiative to showcase model alternative work schedules
- Create Commuter Friendly Employer Program
- Partner with large employers to determine vanpool/carpool options
- Partner with UNCW, Cape Fear Community College, and New Hanover Regional Medical Center to explore carpool matching options and guaranteed ride home strategies
- Communicate with NCDOT to determine funding options for emergency ride home program
- Coordinate with employers to implement 2 additional vanpool programs and potential Park & Ride lot locations

Bike Share
- COW committee for bike share implementation
- Get Scope of Work from Zagster/Pace
REGIONAL AUTHORITY PROJECTS

1. **Bus fleet replacement** - FTA funding in the amount of $3.6M for nine replacement buses was awarded to the Authority from a nationwide discretionary grant in April 2018. Seven buses were ordered June 29, 2018. Delivery is scheduled to begin in June 2019. Additional funding for three to four buses will be requested from the VW mitigation settlement phase one following a call for projects by NC DAQ in the spring of 2019.

2. **Short Range Transportation Plan** - (no significant change) following adoption of Cape Fear Transportation 2040 by the Wilmington Metropolitan Planning Organization (WMPO), Wave Transit is completing its latest short range plan. The plan will set a course for public transportation initiatives, route structure, and revenue programming for the next five years. The plan will also include a financial element to ensure that transit programs are compliant with FTA rules and regulations.

Under the direction of the Authority’s Operations and Planning Committee made up of funding partners, Board members, staff, WMPO board members, WMPO staff, passengers, interested citizens, and professional transit planning consultants, the plan is an important tool in identifying and quantifying the public transportation needs of the community. Marketing, public relations, and community support for financing transit in Southeastern North Carolina will also be a focus of the plan. A key component of the plan will be extensive surveying and data collection to assess the needs of current and prospective passengers. Nelson Nygaard is the principal consultant leading the project. Data collection has begun and is being analyzed. Over fifteen agencies are assisting Wave Transit as stakeholders in the planning effort. The stakeholder committee has been identified and held their multiple meeting. The project is expected to be completed in the spring of 2018.

The draft plan was presented to the Authority Board on March 22, 2018. Draft recommendations are available at the following URL: [https://www.wavetransit.com/short-range-transit-plan/](https://www.wavetransit.com/short-range-transit-plan/). Changes to the Wave Transit routes based on recommendations from the consultant will be developed over the summer and fall with implementation in 2019 to coincide with the opening of the Wilmington Multimodal Transportation Center. A presentation of the study findings will be presented to the WMPO in the fall of 2018.

3. **Long Term Funding** - (no change) currently, the Authority does not have a dedicated source of local funding. A consultant led study to evaluate the governing model and long term funding for transit in the region has been commissioned by the City of Wilmington and New Hanover County. TransPro Consulting has completed the study and is in the process of presenting findings to the Wilmington City Council and New Hanover County Board of Commissioners.
WMPO SPONSORED PROJECTS

1. Wilmington Multimodal Transportation Center
   An Interlocal Agreement between Authority, City of Wilmington, WMPO, and NCDOT has been executed. Demolition of the U-Haul building is complete. Thanks to generous support from the WMPO, STP-DA funding in the amount of $2,400,000 has been flexed by FHWA to FTA for the project and a formal grant with FTA has approved. On June 27, 2018 the WMPO awarded up to $1,700,000 in additional STBGP-DA funding to complete the project. The flex process to convert the funds from FHWA to FTA was initiated on July 30, 2018.
   Phase 1 consisting of hazardous materials abatement and demolition is complete. Phase 2 consisting of building stabilization is complete. Phase 3 consisting of renovation construction was let for bidding on February 14, 2018. The IFB for Phase 3 was released on June 03, 2018. Bids were opened on July 03, 2018. Monteith Construction of Wilmington was the lowest responsive bidder. A construction contract with Monteith Construction is being drafted. Consideration of the contract is expected to be presented to the Authority on September 27, 2018. A tentative start date of November 05, 2018 is anticipated. Construction is estimated to take six to seven months.

2. Preventive Maintenance & ADA - STBGP-DA funding in the amount of $500,000 for preventive maintenance and ADA service throughout the region was approved by the WMPO on July 25, 2018. The process of flexing the funds from FHWA to FTA is currently in process. The funds will assist the Authority in maintaining its fleet of fixed route buses and FTA funded facilities to meet the FTA State of Good Repair Requirement. The preventive maintenance funding will ensure that Wave Transit vehicles are safe, reliable, and provide a positive and comfortable experience on Wave Transit routes throughout the region.
   Americans with Disabilities Act (ADA) compliance utilized under the funding will be used to offset the cost of providing complementary ADA service for passengers unable to access Wave Transit fixed routes. Paratransit services provided under the WMPO authorized funding include specialized origin to destination van service. In July 2018 the Authority provided 1,865 ADA passenger trips. The period of performance for the project is 07/01/2018 through 06/30/2019.
August 30, 2018

WMPO Project Update List. New Hanover, Brunswick and Pender County

Project Update List for New Hanover County

Projects Under Construction - NHC

R-2633 BA – (Wilmington Bypass: C203199) construct a 4-lane divided highway from US 74/76 (near Malmo) to SR 1430 (Cedar Hill Road).
Open to traffic on December 18, 2017.
Estimated Completion Date: December 2018 (inclusive of punch list and vegetation period)
Percent Complete: 89.52%

U-3338B — (Kerr Avenue Widening: C203772) Widening of Kerr Ave. from Randall Prkway to MLK, Jr. Prkwy. Installing storm drain throughout project, and grading Multi-Use Path at Kerr and Randall Prkwy.
Estimated Completion date: November 2018
Percent Complete: 77.46%

U-4751 – (Military Cutoff Road Extension: C203980) extending Military Cutoff Road from Market Street to the Wilmington Bypass, with an interchange at the Bypass west of US 17 Business (Market Street) to US 17 Business (Market Street) SR 1403 (Middle Sound Loop Road).
Realignment of Lendire Road completed by state forces before project started.
Estimated Completion date: April 2022
Percent Complete: 11.68%

Bridges Under Construction - NHC

B-5236 – (New Hanover 29: C203957) New Hanover Replace Bridge #19 over Lords Creek on SR-1100
June 4th ICT1 complete and road opened
Currently undergoing vegetation establishment
Anticipated Completion date: November 2018
Percent Complete: 99%
**Project Development - NHC**

**U-4902D:** US 17 Business (Market Street) construct a “superstreet” (median) from SR 2734 (Marsh Oaks Drive) to Lendire Drive  
*Let Date October 2018*

**U-4902C:** US 17 Business (Market Street) construct a “superstreet” (median) from Station Road to US 74 (MLK Parkway/Eastwood Rd)  
*Let Date February 2020*

**U-4902B:** US 17 US 17 Business (Market Street) Median Project from CSX Railroad to Cinema Dr and from Jacksonville St to North of US 117/NC132 (College Rd)  
*Let Date December 2020*

**B-4590:** replace bridge #29 over Smith Creek on NC 133 (Old Castle Hayne Road)  
*Let Date April 2019*

**U-5710:** US 74 (Eastwood Road) convert at-grade intersection to an interchange at US 17 (Military Cutoff Road).  
*Let Date September 2021*

**U-5710A:** US 74 (Eastwood Road) construct roadway on new location between US 17 (Military Cutoff Road) & US 74 (Eastwood Road)  
*Let Date April 2020*

**U-5729:** US 421 (Carolina Beach Road) from Burnett Avenue to US 117 (Shipyard Blvd) upgrade the roadway.  
*Let Date July 2021*

**U-5790:** US 421 (Carolina Beach Road) Widen US 421 (Carolina Beach Rd) from NC132 (South College Rd) to Sanders Rd in Wilmington and construct intersection improvements at US 421 and NC 132.  
*Let Date June 2024*

*Let Date June 2022*

**R-5701:** US 117 Business & NC53 Intersection improvement.  
*Let Date June 2020*

**U-5734:** US 421 (South Front Street) Widen to multilanes from US17 Business/US 76/US 421 (Cape Fear Memorial Bridge) to US 421 (Burnett Blvd.)  
*Let Date May 2023*
**Resurfacing Contracts - NHC**

**2017 New Hanover County Resurfacing** *(Futch Creek: DC00172)* various secondary roads  
*Estimated Completion Date: June 2018*  
*Percent Complete: 100%*

**I-5760 (I-140 Wilmington Bypass: C203868)** resurface from I-40 to US 421 & reconstruction of bridge joints  
*Estimated Contract Completion Date: September 2018*  
*Percent Complete: 90.92%*

**US 117/NC 132 S College Rd** *(C203888: W-5203AA, W-5601BB)* from US 17 Business (Market Street) to SR 2313 (Wilshire Blvd.)

*Percent Complete: 74.12%*

**High Value Bridge Program – NHC**

**Cape Fear Memorial Bridge** *(New Hanover 13: C204119)* Structural Steel Repair, clean and grease ropes, lift span bearings  
*Estimated Completion Date: April 2019 – Nightly closures beginning 9/18/18*  
*Percent Complete: 15.81%*

**US76/Banks Channel** *(New Hanover 21)* Girder repair, clean and paint bearings, epoxy caps  
*Let Date December 2018*

**Isabel Holmes Br** *(New Hanover 11)* Girder repair, upgrade/paint structural steel, replace grid floor  
*Let Date February 2019*

**Cape Fear (I-140 E)** *(New Hanover 48)* Shear Strengthen  
*Let Date July 2019*

**Cape Fear (I-140 W)** *(New Hanover 49)* Shear Strengthen  
*Let Date July 2019*

**Project Update List for Brunswick County**

**Projects Under Construction – Brunswick County**

**ER-2971** – *(Ocean Isle Beach Roundabout: DC00194)*– Hwy 179 (Beach Drive) at Hwy 904 (Causeway Drive) SR 1184 (Ocean Isle Beach Road) in Ocean Isle  
Contractor: Triangle Grading & Paving Inc.  
*Estimated Completion Date: August 2018*  
*Percent Complete: 99.82%*
Project Development- Brunswick County

R-5021: NC 211 from NC 87 to NC 906 (Midway Road) widen to a 4-lane divided facility.
Let Date April 2019

U-5914: NC 133 Widen and Modernize Intersection at US 17/US 74/US 76 to SR 1554 (Old River Road).
Let Date October 2019

U-5788: US 17 Business (Main Street) Realign intersection at Wall Street and Shallotte Avenue
Let Date May 2020

W-5601GA: US 17 at Thomasboro Rd Convert Intersection to Superstreet
Let Date February 2021

W-5601H: US 17 at Hickman Rd Convert Intersection to Superstreet
Let Date February 2021

U-5862: US 17 (Shallotte Bypass) at SR 1357 Smith Avenue Upgrade intersection to interchange
Let Date May 2021

R-5857: US 17 at US 17 Bus Convert Intersection to Superstreet
Let Date January 2022

U-5932: US 17 at NC 211 Convert Intersection to Interchange.
Let Date June 2024

R-5851: US 17 at NC 904 Convert Intersection to Superstreet
Let Date July 2025

R-4462: US 74/76 at Maco Rd Convert Intersection to Interchange.
Let Date June 2027

Carolina Bays Parkway Extension

Project Overview and Purpose

The N.C. Department of Transportation, along with the S.C. Department of Transportation, is planning to build a multi-lane expressway that extends Carolina Bays Parkway (S.C. 31) from S.C. 9 in Horry County, S.C., across the North Carolina state line to U.S. 17 in Brunswick County.

The extension would provide a more direct and efficient movement of traffic seeking to bypass congestion within the areas of Calabash in North Carolina as well as Little River and the Grand Strand areas in South Carolina. It would also improve traffic flow and safety at the intersection of S.C. 9 and S.C. 57 and provide a more direct route for coastal truck traffic moving through North Carolina.
**Project Highlights**

A team of engineering firms, led by CALYX Engineers and Consultants, is under contract to conduct project development and environmental studies, which are being led by NCDOT and SCDOT in cooperation with local, state and federal agencies in both states.

Project development and environmental studies are underway to evaluate potential routes for the roadway from an engineering and environmental standpoint and to select a preferred route.

Currently only programmed for planning and environmental study. No schedule has been established for right-of-way acquisition or construction, which is not currently funded in North Carolina.

**Resurfacing Projects - Brunswick County**

**2017 Brunswick County Resurfacing Contract (C203923)** 1 Section of US 74/US 76, 2 Sections of NC 87, NC 179, NC 904/179, and 41 Sections of secondary roads.

*Estimated Completion Date: July 2018.*

*Percent Complete: 98.09%*

*Estimated Completion Date: March 2019.*

*Percent Complete: 43.97%*

**High Impact / Low Cost funded projects**

**New project funding source – Brunswick County**

1. NC 133 (flooding)Intersection of SR 1521 (Funston Road SE and NC 133 in Brunswick County
Approximately a mile in each direction of the intersection.

   WBS 80084
   *Project let August 2019*
   *Anticipated Completion April 2020*

2. Installation of traffic signal at US 17 & NC 87 (southern entrance) in Brunswick County

   WBS 47783; work began February 2018
   *Completion Date: June 2019*

3. Installation of traffic signals at the intersection of US 17 and Ocean Isle Beach Road, and the NB to SB U-turn location approximately 875 feet northeast of the referenced intersection in Brunswick County.

   WBS 47879; work began February 2018
   *Completion Date: June 2019*
   *Located in GSATS Boundary.*
4. Caswell Beach Rd Infiltration System in Oak Island
   WBS 47931; Town of Caswell Beach is working on the design
   Project Let February 2019

High Value Bridge Program – Brunswick County

Old Oak Island Bridge (Brunswick 14: C204185) Girder Repair
Estimated Completion Date: June 2019
Let May 2018

Holden Beach Bridge (Brunswick 71: C204185) Girder Repair
Let October 2018

Odell Williamson Bridge (Brunswick 13) Epoxy Coat Beam Ends
Let March 2019

Project Update List for Pender County

Bridges Under Construction – Pender County

B-4929 (Surf City Bridge on NC 50/210: C203789) Replace bridge #16 over the inter-coastal waterway with a fixed span high rise structure.
Estimated Contract Completion Date November 2020
Percent Complete: 86.05%

Project Development – Pender County

R-3300B: US 17 Hampstead Bypass: Construct a four-lane divided roadway on mostly new location from NC 210 to Sloop Point Loop Road.
Let July 2020

R-3300A: US 17 Hampstead Bypass: Construct a four lane divided roadway on new location from US 17 south of Hampstead to NC 210. Design and Right of Way has been approved and the project is planned to be let with R-3300B and U-5732.
Let July 2020

U-5732: US 17 (Ocean Highway in Hampstead)
Convert to superstreet from SR 1582 (Washington Acres Road) to just south of US 17 and future Hampstead Bypass Limits. Note: Will be built in conjunction with Hampstead Bypass.
Let July 2020

SEPTEMBER TPD UPDATES WILMINGTON MPO

September 2018

Wilmington Model Update – Future Year Model completed end of August. Model closeout with documentation is to be completed by end of September.

Wilmington CTP – With the model update, WMPO has also asked TPD to start on the Wilmington CTP update. We have yet to develop a schedule for this CTP and start – but once the Wilmington Model is near completion we will develop a schedule.

Brunswick County Model - Future Year should be completed by end of September. Model closeout anticipated to be completed by end of October (tentatively). Brunswick County CTP study starting up once the model is done and CTP 2.0 rolls out.

Pender County CTP – Anticipated to start in fall of this year, currently TPD is working out the new schedule to align with CTP 2.0.

Performance Measures – NCDOT has transmitted targets to FHWA on May 18, 2018 for pavement, bridge, and system performance (PM2 and PM3 targets). MPO’s are reminded that they have 180 days from May 18, 2018 to support NCDOT’s targets or establish their own targets. Thus, please be sure to obtain board action for the PM2 and PM3 targets by the 180-day deadline of November 14, 2018.
**Statewide Plan:** TPD has selected WSP as the consultant for the Statewide Plan. A limited notice to proceed (NTP) has been issued to begin initial groundwork for this plan, and full NTP is anticipated in late July/early August. As stakeholders, MPO/RPOs will be engaged throughout the process.

**Corridor Studies:** TPD has recently made the decision to temporarily pause the development of the STC Master Plans in order to reevaluate the scope and deliverables to make it a more useful and effective end product. A work group of internal and external partners to help reexamine this effort is currently being formed.

**CTP 2.0:** TPD leadership is reviewing elements for CTP 2.0 and coordinating with the CTP 2.0 steering committee as we prepare for implementation of improved maps, classifications, analysis, plan documentation, and changes to the process for developing CTPs in NC. (A CTP Steering Committee meeting was held June 18, 2018.) Improving the CTPs for NCDOT and local partners has proven to be a complex process with many benefits and “ripple effects” as we move future proposals into project implementation.

**Wilmington CTP** – With the model update, WMPO has also asked TPD to start on the Wilmington CTP update. We have yet to develop a schedule for this CTP and start – but once the Wilmington Model is fully completed, TPD will develop a schedule.

**RPO Program Reviews:** FHWA submitted their findings and recommendations for improvement to NCDOT. TPD has developed an action plan to address the recommendations. FHWA, NCDOT and the RPO Administrative Documents Committee will collaborate on the implementation of resulting changes.

**CMAQ:** Applications for funding in FFY 2019 were due by March 15, 2018.

**Traffic Forecast:** The Traffic Forecast shapefile is under development (ArcGIS Online).

**HERE Data:** HERE Data is available for use for NCDOT business purposes, subsequently being available for RPO use. Data available for travel times and speed measures across the state. Program available at: [https://pda.ritis.org(suite)](https://pda.ritis.org/suite)

**FHWA News:** Functional Classification - FHWA has an interactive map that shows the Federal highway system, freight network, fatal crashes, MPO information, and demographic maps at the county level.

**Build NC:** Governor Roy Cooper on Wednesday June 20, 2018 - signed into law the Build NC Bond Act of 2018, a new financing
