Create and execute continuing, cooperative and comprehensive regional long-range planning efforts that pro-actively drive transportation decisions to improve safety, connectivity, economic development and quality of life in the Wilmington region.

Technical Coordinating Committee Meeting Agenda

TO: Technical Coordinating Committee Members
FROM: Mike Kozlosky, Executive Director
DATE: September 11, 2020
SUBJECT: September 16th meeting

A meeting of the Wilmington Urban Area MPO's Technical Coordinating Committee will be held on Wednesday, September 16, 2020 at 10 am. Due to COVID-19, the meeting is being conducted remotely. **PLEASE NOTE:** This will be a remote meeting conducted pursuant to Section 4.31 of S.L. 2020-3, SB 704.

The remote meeting will be simultaneously streamed live online so that simultaneous live audio, and video, if any, of the meeting is available to the public at the following: <https://zoom.us/j/93801271024?pwd=SXk5bjJSelhNNHZRbUM3eVBDSUJHQT09>

The public may also dial in and listen to the simultaneous live audio of the remote meeting at the following dial in numbers: 646 558 8656 or 301 715 8592 and entering the following credentials:

Meeting ID: 938 0127 1024

Password: 928986

Please join the meeting from your computer, tablet or smartphone.

The following is the agenda for the meeting:

- 1) Call to Order
- 2) Approval of the Agenda
- 3) Presentation
 - a. STIP/MPO TIP Reprogramming- Leigh Wing, NCDOT
 - b. 2020 Congestion Management Process- Zachary Bugg, Kittleson & Associates

**Wilmington Urban Area
Technical Coordinating Committee
Wednesday, July 15, 2020
Remote Meeting Minutes**

Members Present

Mike Kozlosky, Chair, MPO Executive Director
Marty Little, New Hanover County Planning
Department
Denys Vielkanowitz, City of Wilmington Traffic
Engineer
Nick Cannon, Transportation Demand
Management (TDM)
Robert O'Quinn, Wrightsville Beach
Stephanie Ayers (Cody Basile, Intern), NC State
Ports Authority
Athina Williams, Town of Belville

Ashli Barefoot, Town of Leland
Barnes Sutton, Town of Navassa
Sam Shore, Pender County Planning Department
Patrick Flanagan, Cape Fear Council of
Governments
Caitlin Marks, Division of Highways, NCDOT
Nazia Sarder, Transportation Planning Branch,
NCDOT
Vanessa Lacer, Cape Fear Public Transportation
Authority

1) Call to Order

Mr. Kozlosky called the remote meeting to order at 10:02 a.m., and took a rollcall of the members present pursuant to Section 4.31 of Senate Bill 704 (Session Law 2020-3), as follows:

Present: Mike Kozlosky, Marty Little, Denys Vielkanowitz, Nick Cannon, Robert O'Quinn, Athina Williams, Ashli Barefoot, Barnes Sutton, Sam Shore, Patrick Flanagan, Caitlin Marks, Nazia Sarder, Vanessa Lacer. **Absent:** Mandy Sanders, Jerry Haire, Granseur Dick, Stephanie Ayers, Helen Bunch.

2) Approval of the Agenda

Ms. Williams made a motion to approve the agenda as presented. Ms. Sarder seconded the motion and it carried unanimously by rollcall as follows:

Ayes: Mike Kozlosky, Marty Little, Denys Vielkanowitz, Nick Cannon, Robert O'Quinn, Athina Williams, Ashli Barefoot, Barnes Sutton, Sam Shore, Patrick Flanagan, Caitlin Marks, Nazia Sarder, Vanessa Lacer.

Nays: None. **Absent:** Mandy Sanders, Jerry Haire, Granseur Dick, Stephanie Ayers, Helen Bunch.

3) Presentation

a. NCDOT Project Updates/Cape Fear Memorial Bridge Replacement Feasibility Study- Caitlin Marks, NCDOT

Ms. Marks stated that prior to COVID-19, NCDOT's cash balance hovered above its cash floor due to rising construction costs, Map Act settlements, and severe storms. She noted that from fiscal year 2017 to present, NCDOT spent more than \$800 million on approximately 350 storm site repairs and 75 road closures due to disaster frequency and storm severity.

Ms. Marks stated that NCDOT's revenue streams, 40% of which were derived from motor fuel tax and 16% from the highway use tax, have been further impacted by the COVID pandemic. As a result of outbreak precautions, motor vehicle traffic volumes have decreased 40% to 50%.

Ms. Marks estimated that the revenue loss was \$300 million for fiscal year 2020, and is estimated at \$370 million for fiscal year 2021. She noted that although traffic volumes are on the rise at about 90%, impacts would be difficult to predict, particularly should there be a second wave of the virus.

Ms. Marks stated that House Bill (HB) 77 decreased NCDOT's cash floor limit from \$292 million to \$267 million. She noted that the weekly cash report as of this morning reported a cash balance of \$334 million. However, the cash balance cannot be reported as being above the cash floor until a letter from the Chief's office officially says so. Usually, the letter is released the last week of the month.

Ms. Marks stated that cash floor limitations include no new contracts or contract modifications for transportation projects; no new contracts with consultants (although temporaries or embeds can be used to "restart" projects in the interim); and property purchases are prohibited. Additional actions include temporarily suspending engineering and right-of-way (ROW) acquisition on most projects, adjusting let dates, suspending programs such as the wildflower program, freezing new hires, cutting additional contract employees, and imposing a furlough for all NCDOT employees.

Ms. Marks stated that projects scheduled to proceed with engineering in the WMPO area include I-40 Pavement Rehabilitation from Mile Marker 420 to NC210 in Pender County, Wilmington Rail At-Grade Crossing Improvements, and US 421 Widening. She noted that the Hampstead Bypass project included in the list is misleading since it's in ROW acquisition. She pointed out that Division 3 has no design-build projects, and, therefore, no projects on the ROW list to move forward.

Ms. Marks gave further details on HB77, which passed into law on July 6, 2020 (SL 2020-91). She noted that the legislation includes some spending cuts to rail, transit, and airports. She pointed out that the CARES Act is intended to cover some of those losses. She explained that the Bill was designed to help restore stability by restarting some suspended projects, expanding NCDOT's bonding authority, stabilizing funding as hurricane season begins, and providing money for road maintenance and resurfacing. She commented that NCDOT has already begun changing the structure of the cash reports.

Ms. Marks stated that an updated list of current let dates is included in the agenda packet. She pointed out that the Hampstead Bypass let date has been changed from September to March.

Ms. Marks stated that NCDOT gave a presentation on the Cape Fear Memorial Bridge (CFMB) Feasibility Study to the Wilmington Historic Foundation recently, and some media coverage is expected on the response to it. She reminded TCC members that the bridge is a 50-year-old, aging structure, which costs approximately \$550,000 per year to maintain. Additionally, a major rehabilitation project completed late last year cost \$15 million from NCDOT's High Value Bridge Preservation (HVBP) program. A report released in April estimates current traffic volumes at 51,000 vehicles per day, which is projected to increase to 81,000 vehicles per day by 2045.

Ms. Marks stated that the proposed median-divided facility would be increased from four lanes to six, and include a separated multi-use path on the north side. She noted that one of the options includes a railroad component. She gave an overview of estimates for four options as follows:

Option	Design	Construction	Utility	ROW Cost	Total Cost
		Cost	Relocation Cost		
1.	Fixed span, 65' vertical clearance	\$185.1 M	\$2.0 M	\$9.5 M	\$196.6 M
2.	Fixed span, 135' vertical clearance	\$213.6 M	\$2.0 M	\$30.1 M	\$245.7 M
3.	Movable span, 65' vertical clearance	\$475.7 M	\$2.5 M	\$9.5 M	\$487.7 M
4.	Movable span, 65' vertical clearance with railroad component	\$596.7 M	\$2.5 M	\$9.5 M	\$608.7 M

Ms. Marks noted that highlights of the impacts state that the Wilmington local historic district and the downtown business district of the City of Wilmington are not anticipated to have impacts, because the options shift the bridge south away from those districts. She added that the Cape Fear Memorial Bridge project is unfunded and that results of Prioritization 6.0 will not be known until May 2022. Once funding is obtained, the detailed design and environmental merger process will begin.

Mr. Kozlosky inquired about the design-build decision making process. Ms. Marks responded that these depend on Division engineers and the central design team in Raleigh. She added that this is discussed during the initial phases of projects, or if they need to be done quickly. She pointed out that the design-build scenario tends to hold more uncertainty.

4) **Consent Agenda**

- a. **Approval of TCC Meeting Minutes – June 10, 2020**
- b. **Resolution approving 2018-2027 and 2020-2029 STIP/MPO Transportation Improvement Program Amendments #20-1, #20-2 and 20-3**

Mr. Shore made a motion to approve the Consent Agenda, Items 3a and 3b, as presented, and to forward the items to the MPO Board for consideration. Mr. O'Quinn seconded the motion, and it carried unanimously by rollcall as follows:

Ayes: Mike Kozlosky, Marty Little, Denys Vielkanowitz, Nick Cannon, Mandy Sanders, Robert O'Quinn, Stephanie Ayers, Athina Williams, Ashli Barefoot, Barnes Sutton, Helen Bunch, Sam Shore, Patrick Flanagan, Caitlin Marks, Nazia Sarder, Vanessa Lacer. **Nays:** None. **Absent:** Jerry Haire, Granseur Dick.

5) **Regular Agenda**

- a. **Resolution approving the Final Draft of Cape Fear Moving Forward 2045**

Deputy Director Abby Lorenzo gave an overview on the final draft of the Cape Fear Moving Forward 2045 Plan. She stated that the MPO Board requested an additional three virtual open houses as a replacement for the three in-person open houses that were canceled due to COVID-19. As a result of virtual public outreach, 20 comments have been added to the summary of comments for the plan, bringing the total to 87 with an additional 20 comments added by staff. However, comments from the virtual meetings did not result in any additional recommended changes to the plan. She noted that a total of 17 members of the public participated during the additional virtual open houses, which were held on July 6th, July 7th and July 8th from 5:00 p.m. to 7:00 p.m. on the Zoom online remote meeting platform.

Ms. Lorenzo stated that recommended changes by staff were based on three comments received during the initial public outreach from February 26th to May 15th. She explained that two comments were related to cost estimates for roadway projects, which resulted in the addition of five projects to the fiscally constrained list. The third comment was related to bicycle and pedestrian projects that were duplicated by the State Transportation Improvement Plan (STIP). Removing these projects allowed the addition of other bicycle and pedestrian projects to the plan's fiscally constrained list.

Ms. Lorenzo stated that based on comments, notes were added to the appendices as follows:

- Proposed cross sections or scopes were added to the fiscally constrained lists to help describe the projects;

- In the Freight and Freight/Rail element, staff added language to assist the Port in securing future federal grants; and
- In the Environmental Justice section, staff expanded the degree of impact analysis to include fiscally constrained bicycle and pedestrian, public transportation projects, and added potential benefits and burdens of the projects.

Ms. Lorenzo stated that the next steps would be for the MPO Board to consider a resolution accepting the final draft of the plan this month. Then, staff would proceed with making presentations of the final draft plan to member jurisdictions in August and September, prior to the Board considering the plan for adoption in October.

Ms. Marks made a motion to approve the final draft of the Metropolitan Transportation Plan, and to forward it to the MPO Board for consideration. Mr. Cannon seconded the motion, and it carried unanimously by rollcall as follows:

Ayes: Mike Kozlosky, Marty Little, Denys Vielkanowitz, Nick Cannon, Mandy Saunders, Robert O'Quinn, Stephanie Ayers, Athina Williams, Ashli Barefoot, Barnes Sutton, Helen Bunch, Sam Shore, Patrick Flanagan, Caitlin Marks, Nazia Sarder, and Vanessa Lacer. **Nays:** None.

Absent: Jerry Haire, and Granseur Dick.

Mr. Kozlosky expressed appreciation to staff for their efforts on the plan.

b. Resolution supporting FY 21 Unified Planning Work Program Amendment #1

Ms. Lorenzo stated that this is an amendment to move \$10,000 from the special studies line item for the Pender County Streets Plan to assist in the final funding for the Wilmington Rail Trail Master Plan. She explained that due to the COVID restrictions that were implemented mid-March, staff was unable to complete the Rail Trail Master Plan in fiscal year 2020. She noted that about \$10,000 is needed to complete it, and that the streets plan is expected to come in under budget.

Mr. Shore made a motion to approve the amendment to the Unified Planning Work Program. Mr. Cannon seconded the motion, and it carried unanimously by rollcall as follows:

Ayes: Mike Kozlosky, Marty Little, Denys Vielkanowitz, Nick Cannon, Mandy Saunders, Robert O'Quinn, Stephanie Ayers, Athina Williams, Ashli Barefoot, Barnes Sutton, Helen Bunch, Sam Shore, Patrick Flanagan, Caitlin Marks, Nazia Sarder, Vanessa Lacer. **Nays:** None.

Absent: Jerry Haire, Granseur Dick.

c. Resolution supporting applications for the deployment of CASSI in the City of Wilmington and Town of Carolina Beach

Mr. Cannon stated that earlier this year, NCDOT released an application for two communities in North Carolina to have a pilot program for an autonomous vehicle shuttle. He noted that previously, only NC State had Connected Autonomous Shuttle Supporting Innovation (CASSI). He added that NC State's CASSI deployment began in February; but ended prematurely when the university closed due to COVID-19 restrictions.

Mr. Cannon stated that NCDOT has proceeded with its plan to launch pilot routes in two cities/towns in North Carolina in 2021. He noted that the MPO plans to apply for routes in downtown Wilmington and in the Town of Carolina Beach next summer. He commented that the applications are subject to change, since research of the technology continues.

Mr. Kozlosky pointed out that this is an opportunity to deploy alternative technologies.

Ms. Barefoot made a motion to approve the applications. Ms. Bunch seconded the motion, and it carried unanimously by rollcall as follows:

Ayes: Mike Kozlosky, Marty Little, Denys Vielkanowitz, Nick Cannon, Mandy Saunders, Robert O'Quinn, Stephanie Ayers, Athina Williams, Ashli Barefoot, Barnes Sutton, Helen Bunch, Sam Shore, Patrick Flanagan, Caitlin Marks, Nazia Sarder, Vanessa Lacer. **Nays:** None.

Absent: Jerry Haire, Granseur Dick.

6) Discussion

a. Congestion Management Process 2020 Biennial Report

Associate Transportation Planner Zach Manfredi gave an overview of the Congestion Management Process (CMP) Report, which is updated every two years. He noted that the CMP is a methodical, data driven approach to managing traffic congestion in the region. He added that all regions with a population greater than 200,000 and designated a Transportation Management Area (TMA) are required to develop this process. He noted that the WMPO became a TMA in 2012, and that the MPO Board adopted its first CMP in 2014.

Mr. Manfredi pointed out that although the CMP is a federally required document, it's not a prescriptive process. He commented that this provides some leeway for regional traffic differences. He added that the Federal Highway Administration (FHWA) created a guidebook in 2011 with eight steps, of which the MPO is currently half-way through. He noted that since biennial data collection is by far the most intensive step, staff has developed goals/objectives and measures aligned with the MPO's Metropolitan Transportation Plan (MTP).

Mr. Manfredi stated that the traffic network includes 30 total corridors. He noted that 25 were retained from the 2018 CMP, and five were changed to accommodate availability of data and changing priorities of the National Performance Research Data Set (NPRDS). He added that each corridor will receive a score for two performance measures: travel time/reliability and multimodal improvement, which will ultimately help rank the projects for the region.

Mr. Manfredi stated that data collection efforts took about six months and involved the efforts of a consultant (Kittelson), and the WMPO with staff collecting individual a.m. and p.m. peak traffic counts, NCDOT's volume and crash data, Wave Transit's transit data, and the MPO's infrastructure data (sidewalks, bike lanes, multi-use paths, etc.).

Mr. Manfredi explained NPRDS in more detail. He pointed out that the data set has a large sample size. He noted that the consultant has reviewed and provided an analysis of the data. He commented that the value of internal metrics can be appreciated in a comparison to national metrics. On a national level, the MPO region is not considered to be congested compared to communities like Los Angeles. He added that Kittelson would provide a presentation with more detail in August.

Mr. Manfredi gave an overview of the remaining steps of the CMP. He stated that feedback from local stakeholders will be sought to identify strategies to address congestion, and requested participation from TCC members. He added that three iterations (2020, 2022, and 2024) of the CMP will lend itself to the next MTP and future STIPs. He noted that the last step of the CMP will be to evaluate strategy effectiveness, and that this year will serve as a baseline for that evaluation. He added that that virtual stakeholder meetings will be held in August.

In response to an inquiry by Mr. Flanagan regarding the truck times in the multimodal category, Mr. Manfredi stated that the NPRDS was originally created for freight lines, and that travel time was included in multimodal previously; but that staff would review it.

Ms. Lorenzo stated that staff would put together a toolbox of traffic congestion mitigation strategies to discuss with planning staffs of local jurisdictions to determine appropriate corridor implementation and multimodal suitability.

b. 2020-2029 STIP/MPO Transportation Improvement Program Administrative Modifications #20-5

Mr. Kozlosky stated that this administrative modification would be to delay the Drysdale Drive Extension from fiscal year 2021 to fiscal year 2022. He noted that this item is for information purposes only and will return to the Committee for consideration at its next meeting.

7) Updates

- a. Wilmington Urban Area MPO
- b. Cape Fear Public Transportation Authority
- c. NCDOT Division
- d. NCDOT Transportation Planning Division

Mr. Kozlosky stated that updates are included in the agenda packet. There were no questions on the updates.

8) Announcements

- a. Bike/Pedestrian Committee Meeting - August 11th
- b. Next TCC meeting - August 12th

9) Adjournment

Ms. Bunch made a motion to adjourn. Mr. Kozlosky seconded the motion and the meeting was adjourned unanimously at 10:53 a.m. by rollcall as follows:

Ayes: Mike Kozlosky, Marty Little, Denys Vielkanowitz, Nick Cannon, Mandy Saunders, Robert O'Quinn, Stephanie Ayers, Athina Williams, Ashli Barefoot, Barnes Sutton, Helen Bunch, Sam Shore, Patrick Flanagan, Caitlin Marks, Nazia Sarder, Vanessa Lacer. **Nays:** None. **Absent:** Jerry Haire, Granseur Dick.

THE ABOVE MINUTES ARE NOT A VERBATIM RECORD OF THE PROCEEDINGS.
THE ENTIRE PROCEEDINGS ARE RECORDED DIGITALLY AS PART OF THIS RECORD.

1 Introduction

1.1 Overview

The Wilmington Urban Area Metropolitan Planning Organization's (WMPO) Public Participation Plan is an umbrella policy, encompassing the plans and programs of the greater Wilmington Urban Area's transportation planning process. Public participation is an integral part of the WMPO's planning efforts. The Public Participation Plan is comprised of the public involvement programs for all the major planning activities, including the Metropolitan Transportation Plan (MTP), Metropolitan Transportation Improvement Program (MTIP), the Unified Planning Work Program (UPWP) and federal requirements (FAST Act, Civil Rights Act, Environmental Justice, Limited English Proficiency and Americans with Disabilities Act).

The WMPO is an intergovernmental transportation planning agency created by an agreement among the City of Wilmington, Town of Belville, Town of Carolina Beach, Town of Kure Beach, Town of Leland, Town of Navassa, Town of Wrightsville Beach, Brunswick County, New Hanover County, Pender County, Cape Fear Public Transportation Authority and the North Carolina Board of Transportation. Federal and state laws require the formation of Metropolitan Planning Organizations (MPO) in urbanized areas with populations of greater than 50,000 in order for surface transportation projects to be eligible for federal transportation funding.

The Wilmington Urban Area population has exceeded 200,000 and in July 2012 the Federal Highway Administration (FHWA)/Federal Transit Administration (FTA) designated the Wilmington Urban Area as a Transportation Management Area (TMA). This new designation provides for additional requirements including a Congestion Management Process, official FHWA/FTA Certification Review, additional federal reporting requirements and the administration of the Direct Attributable Programs.

The WMPO is responsible for conducting a continuing, cooperative, and comprehensive transportation planning process for all of the members within the WMPO urbanized area. The WMPO must plan for the movement of both people and goods within the WMPO boundaries by all modes of travel, including highways, public transportation, bicycles, and pedestrians. It also plans for the connections (such as airports, seaports, buses, railroads, and pipeline terminals) linking these modes and connecting the greater Wilmington area to the rest of the State, country, and world.

1.2 The WMPO Mission Statement

Create and execute continuing, cooperative and comprehensive regional long-range planning efforts that proactively drive transportation decisions to improve safety, connectivity, economic development and quality of life in the Wilmington region.

1.3 The WMPO Board

The Board is the policy and decision-making body for the WMPO. The Board is comprised of elected and appointed officials from the City of Wilmington, Town of Belville, Town of Carolina Beach, Town of Kure Beach, Town of Leland, Town of Navassa, Town of Wrightsville Beach, Brunswick County, New Hanover County, Pender County, Cape Fear Public Transportation Authority, and the North Carolina Board of

Transportation. The Board is ultimately responsible for providing opportunities for citizen participation in the transportation planning process.

WMPO Voting Members:

Brunswick County: One elected official

New Hanover County: One elected official

Pender County: One elected official

City of Wilmington: Two elected officials

Town of Belville: One elected official

Town of Carolina Beach: One elected official

Town of Kure Beach: One elected official

Town of Leland: One elected official

Town of Navassa: One elected official

Town of Wrightsville Beach: One elected official

Cape Fear Public Transportation Authority: One elected official (appointed by the New Hanover County Board of Commissioners to the Authority Board)

North Carolina Board of Transportation: One appointed official

WMPO Non-Voting Members:

Federal Highway Administration

Cape Fear Council of Governments

North Carolina State Ports Authority

Wilmington Airport Authority

North Carolina Turnpike Authority

1.3.1 Board Meetings

Regular schedules will be adopted by the Board at the last meeting of the calendar year for the upcoming year. These meetings will typically be held eleven (11) times per calendar year unless otherwise approved. Notice of these meetings will be published in the Star News and Wilmington Journal at least five (5) days prior to the day of the meeting and also posted in accordance to the State Open Meetings Laws. These meetings and agendas will also be published on the WMPO's website. These meetings are open to members of the public and upon request anyone can be placed on the Board mailing list. At the beginning of each regular meeting, a sign-in sheet will be available before each meeting for those who wish to speak. Each speaker is limited to three (3) minutes and the entire public comment period shall not exceed fifteen (15) minutes. If necessary, the Chairman can extend the public comment period by a vote of the Board.

1.4 Technical Coordinating Committee (TCC)

The Technical Coordinating Committee (TCC) is made of planners, engineers, and other staff from each of the member agencies to facilitate coordination of the WMPO's planning activities and transportation planning and related activities occurring within each member agency's jurisdiction. The TCC makes recommendations to the Board.

1.5 Bicycle and Pedestrian Advisory Committee

The Bicycle and Pedestrian Advisory Committee is composed of members appointed by the Board, the Chancellor of the University of North Carolina at Wilmington, and the Chairman of the Bicycle and Pedestrian Advisory Committee. The Bicycle and Pedestrian Advisory Committee promotes the safe use of bicycling and walking for transportation, fitness, and recreation; provides recommendations on policies and plans that affect the development of bicycle and pedestrian facilities; and contributes to the development of the MTP.

1.6 Electronic Meetings

The Wilmington Urban Area Metropolitan Planning Organization may choose to hold electronic meetings solely online or electronically. In these cases, a telephone number will also be provided for individuals without internet access to call in.

When Feasible:

- Meetings will be streamed live on an online platform that allows visual and audio capabilities to the general public.
- Meeting agendas and materials will be posted online in advance of the meeting.
- If a public comment period is undertaken during the meeting and public cannot be made in person, a means to provide comments by phone, email and/or video will be provided.

2 Purpose

The purpose of the WMPO Public Participation Plan is to create an open decision-making process whereby citizens have the opportunity to be involved in all stages of the transportation planning process. This policy is designed to ensure that transportation decisions will reflect public priorities.

2.1 Goals

The goals of the WMPO's Public Participation Plan are:

- A. The WMPO will actively seek and consider public input and incorporate or otherwise respond to the views of its stakeholders in making its decisions.
- B. The public will be informed in a timely manner about and empowered to participate in the WMPO's decision-making processes, which are open, understandable, and consistently followed. Access points for public input will be clearly defined from the earliest stages of a decision process and provide adequate time for stakeholders to participate.
- C. Credible, effective public participation processes will be consistently incorporated into the WMPO's program operations, planning activities, and decision-making processes, at headquarters and in the field. Every employee within the WMPO will share responsibility to promote, practice, and improve public participation.

2.2 Objectives

- Bring a broad cross-section of the public into the public policy and transportation planning decision-making process.
- Maintain public involvement from the early stages of the planning process through detailed project development.
- Use different combinations of public involvement techniques to meet the diverse needs of the general public.
- Determine the public's knowledge of the metropolitan transportation system and the public's values and attitudes concerning transportation.
- Educate citizens and elected officials in order to increase general understanding of transportation issues.
- Make technical and other information available to the public.
- Establish a channel for an effective feedback process. Evaluate the public involvement process and procedures to assess their success at meeting requirements specified in the FAST Act (or most current regulation), NEPA, and FTA/FHWA Guidance on Public Participation.

3 Federal Requirements

The federal laws and processes covering public participation in the transportation planning process include the following:

- *Fixing America's Surface Transportation Act (FAST Act)*, (or most current regulation);
- *Title VI of the Civil Rights Act of 1964*;
- *Executive Order 13161, Improving Access to Services for Persons with Limited English Proficiency (2000)*;
- *The Americans with Disabilities Act of 1990, the Rehabilitation Act of 1973 (Section 504)*, and *Rehabilitation Act Amendments of 1998 (Section 508)*; and
- *Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (1994)*, *USDOT Order 5610.2(a)*, and *FHWA Order 6640.23A*.

In order to be in compliances with the federal requirements for Environmental Justice (EJ) and Limited English proficiency (LEP), the WMPO may develop strategies that encourage EJ and LEP populations to participate in the transportation planning process.

3.1 Federal Regulation

As mandated under the 23 U.S. Code § 134 and directed by the FAST Act, or other, current supporting federal regulations, MPOs must establish, periodically review and update public participation processes. These processes should assure early and continued public awareness of and access to the transportation decision-making process.

The planning regulations contain a number of performance standards for public involvement, including:

- Providing timely notice and reasonable access to information about transportation issues and processes;
- Providing adequate public notice of public participation activities and time for public review and comment at key decision points, including a reasonable opportunity to comment on the proposed metropolitan transportation plan and the MTIP;
- Demonstrating explicit consideration and response to public input received during the development of the metropolitan transportation plan and the MTIP;
- Employing visualization techniques to describe metropolitan transportation plans and MTIPs; and
- Making public information (technical information and meeting notices) available in electronically accessible formats and means.

3.2 Title VI of the Civil Rights Act of 1964

Title VI of the Civil Rights Act of 1964 states that “no person in the United States shall, on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”

3.3 The Americans with Disabilities Act of 1990, the Rehabilitation Act of 1973 (Section 504), and the Rehabilitation Act Amendments of 1998 (Section 508)

The *Americans with Disabilities Act of 1990* mandates that public facilities be made accessible to people with disabilities and has been the basis for requiring that transit buses and street curbs be retrofitted or reconstructed with appropriate equipment and design details.

The *Rehabilitation Act of 1973* (Section 504) states that “no qualified individual with a disability in the United States shall be excluded from, denied the benefits of, or be subjected to discrimination under” any program or activity that receives federal financial assistance.

The *Rehabilitation Act Amendments of 1998* (Section 508) states that federal agencies must ensure that electronic and information technology is accessible to employees and members of the public with disabilities to the extent it does not pose an “undue burden.”

All notices for planning activities of the **WMPO** will include an announcement that states that persons with disabilities will be accommodated. Special provisions will be made if notified 48 hours in advance (e.g., having available large print documents, audio material, someone proficient in sign language, a translator or other provisions requested). Public meetings will be held in locations accessible to persons with disabilities and will be located near or on a transit route if possible. TTY users may dial 711 to contact the WMPO.

3.4 Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (2000)

The basis of *Executive Order 13166* lies in *Title VI of the Civil Rights Act of 1964*. It requires that federal agencies work to ensure that recipients of federal financial assistance provide “meaningful access” to their limited English proficiency applicants and beneficiaries.

3.5 Executive Order 12898, USDOT Order 5610.2(a), and FHWA Order 6640.23A.

3.5.1 Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (1994)

The basis of *Executive Order 12898* lies in *Title VI of the Civil Rights Act of 1964*. The Executive Order directs that “each Federal agency shall make achieving environmental justice part of its mission by identifying and addressing, as appropriate, disproportionately high and adverse human health or environmental effects of its programs, policies, and activities on minority populations and low-income populations.”

3.5.2 Department of Transportation Update Environmental Justice Order 5610.2(a)

The *USDOT Order 5610.2(a)* sets forth the U.S. Department of Transportation (USDOT) policy to consider environmental justice principles in all USDOT programs, policies, and activities. The three fundamental environmental justice principles include:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations;

- To ensure full and fair participation by all potentially affected communities in transportation decision-making; and
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority and low-income populations.

3.5.3 Federal Highway Administration Order 6640.23A Actions to Address Environmental Justice in Minority Populations and Low-Income Populations

The *FHWA Order 6640.23A* is the directive that establishes policies and procedures for the FHWA to use in complying with *Executive Order 12898*. In addition, it defines the following terms:

Low-Income – A person whose median household income is at or below the Department of Health and Human Services poverty guidelines.

Low-Income Population – Any readily identifiable group of low-income persons who live in geographic proximity, and, if circumstances warrant, geographically dispersed/transient persons who will be similarly affected by a proposed program, policy, or activity.

Minority – A person who is:

- Black: a person having origins in any of the black racial groups of Africa;
- Hispanic or Latino: a person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race;
- Asian American: a person having origins in any of the original peoples of the Far East, Southeast Asia or the Indian subcontinent;
- American Indian and Alaskan Native: a person having origins in any of the original people of North America, South America (including Central America), and who maintains cultural identification through tribal affiliation or community recognition; or
- Native Hawaiian and Other Pacific Islander: a person having origins in any of the original peoples of Hawaii, Guam, Samoa or other Pacific Islands.

Minority Population – Any readily identifiable groups of minority persons who live in geographic proximity, and if circumstances warrant, geographically dispersed/transient persons who will be similarly affected by a proposed program, policy, or activity.

3.6 Environmental Justice and Limited English Proficiency Outreach Strategies

The WMPO places great emphasis on reaching people and groups that have not traditionally been participants in the transportation planning process. These traditional non-participants include low-income, minority, elderly and disabled; do not have vehicles; and low literate or have limited English proficiency. The WMPO will develop strategies to address participation barriers that may include the following listed below. In addition, staff may modify the techniques listed in the next section, Outreach Efforts, to ensure traditionally non-participating populations are involved in the transportation planning process.

3.6.1 Develop and Implement a Plan to Reach Non-Participating Minority and Low Income Populations

WMPO staff should identify and meet with organizations and community leaders who represent traditional non-participant populations. The purpose of these meetings will be to build relationships with the groups and leaders as well as identify strategies to bring traditional non-participants into the planning process. The identified strategies will be implemented in cooperation with the organizations and community leaders. Detailed plans may outline the meetings with group leaders and implementing strategies.

3.6.2 Develop Outreach and Education Programs

The WMPO should develop outreach and education program designed to educate the public about the regional transportation planning process and its relevancy to all stakeholders. English and Spanish materials may be produced as part of this program and may include such tools as pamphlets and brochures which can be used in various presentations and for distribution.

Special considerations and arrangements will be made to design a program that is tailored for traditional non-participants. These considerations may include developing materials specifically targeted to those communities. It will be necessary to periodically review and update the program and materials.

4 Outreach Efforts

The WMPO will seek public input through a menu of techniques, including public notices, comment periods, workshops, charrettes, public hearings, newsletters, surveys, media relations, periodic transportation summits, and the Citizen's Advisory Committee (CAC). The techniques employed will vary, depending on the specific planning task and a menu of options are outlined in this section. The WMPO will hold a forty-five (45) day public comment period for amendments to the Public Participation Plan and will seek input and feedback on the WMPO's public involvement efforts.

4.1 Stakeholder Interviews

A stakeholder is defined as any person or group that is affected by a transportation plan, program or project, including those who are not aware they will be affected. In accordance with the FAST Act, stakeholders will include "individuals, affected public agencies, representatives of public transportation employees, public ports, freight shippers, providers of freight transportation services, private providers of transportation (including intercity bus operators, employer-based commuting programs, such as carpool program, vanpool program, transit benefit program, parking cash-out program, shuttle program, or telework program), representatives of users of public transportation, representatives of users of pedestrian walkways and bicycle transportation facilities, representatives of the disabled, and other interested parties."

Individuals will include the general public; environmental, health, neighborhood, citizen and civic organizations; and, traditionally underserved communities such as people with disabilities, and/or low-income, minority, and elderly.

The WMPO will create a database holding contact information for individual stakeholders and representative stakeholder groups. The WMPO will continually work to identify new stakeholders interested in and or affected by the transportation planning process. With their consent, these names, addresses, phone numbers and e-mail addresses will be included in the stakeholder, contact database.

Ongoing meetings with stakeholders will be conducted to share information and for the WMPO to receive feedback on transportation issues throughout the community and region.

4.2 Publicize WMPO Activities

Media coverage will be actively cultivated to ensure that mainstream and ethnic radio, television and newspaper outlets understand the importance of providing information on transportation planning activities. In addition, articles, new releases and/or media releases will be used to disseminate information to announce public review and comment periods and public meetings. In order to accomplish this task, a current list of media outlets such as mainstream and ethnic television and radio stations and newspapers, including small community-based publications, will be established and maintained.

4.3 Establish a Speaker Bureau

The Speaker's Bureau will consist of WMPO members and staff who can speak to civic organizations, professional organizations, neighborhood associations and other groups about the

regional transportation planning process. Members of the Speaker's Bureau will present information in order to educate the public regarding the WMPO planning process and on-going transportation projects within the region. A goal of holding a Speaker's Bureau will be that WMPO staff will gain further insight on the public's issues/concerns and transportation needs within the region.

4.4 Maintain a Website

The WMPO's website (www.wmpo.org) provides information about WMPO meetings and activities, including listing all upcoming meetings. This website includes a calendar, agendas and minutes; plans and documents and updates on current transportation projects. This website should provide the public with an opportunity to provide input and formal comments on an ongoing basis through the e-mail links.

4.5 Develop and Distribute Brochures

The WMPO may produce a brochure in English and Spanish dedicated to explaining the WMPO and its roles and responsibilities. If requested, this brochure will be provided in large print format. The brochure should be available on-line and made available to identified stakeholders, libraries, government buildings, WMPO offices and other locations. Specialized brochures may be required to be provided to targeted groups.

4.6 Conduct Public Informational Workshops, Charrettes and Public Open Houses

Public Informational Workshops, Charrettes and Public Open Houses may be conducted on topics associated with the transportation planning process. Such workshops, charrettes and/or open houses will be designed based on the intent of the meeting. These can be used to educate the participants on specific topics, e.g. transportation projects, the transportation model, planning efforts, etc. Public Informational Workshops, Charrettes and Public Open Houses provide a means for allowing the public to express their ideas and concerns in an informal setting. The workshops, charrettes and open houses may be conducted on an as-needed basis.

4.7 Conduct Surveys

Surveys may be used to gather information from peoples' perceptions, preferences and practices. In areas where low literacy exists; surveys should be conducted in person. In limited English proficient communities, these surveys should be published in Spanish. In areas where the public is literate, surveys may be mailed, e-mailed or posted on the WMPO's website.

4.8 Create Newsletters

The WMPO may produce a quarterly newsletter in both English and Spanish dedicated to transportation planning activities in the Wilmington region. If requested, this newsletter should be provided in a large print format. This newsletter should include information regarding technical issues written in layman's terms for the general public. In addition, the newsletter should provide the public with periodic updates of WMPO activities. The newsletter should be available on-line and distributed to all identified stakeholders, made available to libraries, government buildings, WMPO offices and other locations. Additionally, a specialized newsletter may be needed to provide timely information on targeted projects/topics.

4.9 Periodic Transportation Summits

Periodic Transportation Summits may be conducted by the WMPO to educate local elected officials, business, transportation, and community leaders on topics in the transportation industry. These summits will be focused on federal, state and local transportation issues and serves as an avenue to bring these leaders together to discuss transportation concerns and needs. The WMPO may utilize Transportation Summits for State and local leaders to discuss local and regional transportation issues.

4.10 Citizen Advisory Committee (CAC)

The WMPO Board may establish a Citizen Advisory Committee (CAC). The CAC is a volunteer group consisting of representatives from community organizations, professional associations, neighborhood associations, civic and community organizations and the private sector. The CAC will assist in developing public participation programs and collecting public input for the decision making process. Comments received from the CAC members and non-members are treated equally. The CAC will establish a meeting schedule approved at the last meeting of the calendar year for the upcoming year. These meetings are open to the public and provide an opportunity for interested parties to hear and discuss transportation matters to guide developing the MTP and other studies.

4.11 Social Media

The WMPO may use social media outlets to provide an additional avenue to effectively communicate information and encourage citizen participation. Adjusting practices to involve innovative technologies ensures that the WMPO is capitalizing on cost-effective resources that citizens use when obtaining and sharing information. Posts and comments directed to the WMPO through social media outlets will not be considered to be public comments for planning activities or projects.

4.12 Annual Report

The WMPO may publish an Annual Report that highlights annual agency accomplishments and provides a review of the services provided to the community.

4.13 Visualization Techniques

The WMPO may use visualization techniques for communicating information to the public, elected and appointed officials, and other stakeholders. Visualization techniques should deliver information in a clear and concise manner, promoting a better understanding of existing or proposed transportation planning activities.

Depending on the planning activity, visualization techniques may include, but not limited to: GIS maps; web-based surveys; videos; brochures or flyers; PowerPoint presentations; or photographic renderings. The WMPO should evaluate the effectiveness of visualization techniques and seek guidance from other partnering agencies, including, but not limited to FHWA's "Visualization in Planning" website.

5 Plan Specific Guidelines

The WMPO's Public Participation Plan is consist of a number of procedures and all planning programs and activities are required to go through the Board's public participation process. In addition, the WMPO has initiated specific public participation techniques for the MTP, the MTIP, the UPWP complying federal requirements – FAST Act, Civil Rights Act, Environmental Justice, Limited English Proficiency and Americans with Disabilities Act.

5.1 Public Comment for MTP, UPWP, and MTIP

The WMPO will provide an opportunity for meaningful public involvement in the development and update of the MTP; final draft of the MTIP; and in the development of the UPWP. The public comment period will be a minimum thirty (30) day period, effective from the date of the public notice publication. Written comments will be received during the comment period and will be directed to the WMPO. The WMPO's contact person, phone number and e-mail address will be included in the public notice. The Board shall hold at least one public hearing prior to the adoption of the MTIP every two years. A public comment period is not required for administrative modifications to the MTIP.

The WMPO will assemble all comments and forward summary of comments to the TCC and the Board. The Board typically acknowledges public comments for the MTP, UPWP, and MTIP in one of the following two ways: the Board may incorporate a summary of public comments and the WMPO's response, as an appendix, into the specific planning document, or, depending on the number of comments, the Board may instruct the planning staff to respond directly by letter. Acknowledging public comments is a way to let the public know that its comments are being addressed and is part of the public involvement feedback process.

5.2 Metropolitan Transportation Plan (MTP)

The MTP is developed for the Metropolitan Planning Area (MPA) and covers at least a 20-year planning horizon. The MTP encompasses transportation strategies to maintain the existing transportation infrastructure while meeting the future needs of all federally funded transportation modes in the MPA, including highways, public transportation, bicycle and pedestrian, freight and rail, ferry, and aviation.

5.2.1 Objectives

- Proactive participation techniques may be employed to involve citizens and provide fuller access to information and technical data on the Transportation Plan. The technique may include, but not be limited to, public meetings/hearings, surveys, focus groups, newsletters, public service announcements, charrettes, transportation advisory group, mass media, etc.
- Public meetings may be held to formulate a vision for the MTP development, provide the public background information on the metropolitan transportation system and other issues as well as the proposed framework of the MTP update process, and to receive citizen input.

- Public meetings (forums) designed to solicit public comment may be held at various locations around the metropolitan area to encourage the greatest public participation.
- Efforts will be made to hold public meetings at a locations which are accessible to persons with disabilities and preferably located along a transit route.

Notifications will inform the public of the availability of the draft MTP for review and comment, where to send written comments, and addresses and phone numbers of contact persons. The notices also will include an announcement that states that persons with disabilities will be accommodated. Special provisions will be made if notified 48 hours in advance (e.g. having available large print documents, audio material, someone proficient in sign language, a translator, or other provisions as requested). Additionally, the notice will inform the public where copies of the draft MTP will be on file for public review. A copy will also be available in a PDF format for downloading on the WMPO website.

5.3 Metropolitan Transportation Improvement Program (MTIP)

The federally required Metropolitan Transportation Improvement Program, or MTIP, is a comprehensive listing of all the WMPOs transportation projects that receive federal funds. The MTIP sets forth the Board's priorities, funding and scheduling of transportation improvement projects (highway, bicycle, pedestrian, transit capital and operating assistance, and other transportation improvements in the WMPO) using State and federal funds. The MTIP serves as the project selection document for transportation projects and, therefore, is the implementation mechanism by which the objectives of the MTP are reached.

The MTIP and the State Transportation Improvement Program (STIP) must match exactly in projects, schedule, and scope, for projects to move forward with federal funding. It is therefore critical that close coordination be held with the State to assure that both parties are in agreement with the program and thus allow projects and programs (including transit elements) to move forward.

The Board adopts the MTIP and STIP every two years. By law, the MTIP and STIP must cover at least a three-year period and contain a priority list of projects grouped by year. Further, the MTIP and STIP must be financially constrained by year (meaning that the amount of dollars programmed must not exceed the amount of dollars estimated to be available). Federal regulations also require an opportunity for public comment prior to MTIP approval.

5.3.1 Annual Listing of Obligated Projects

The WMPO publishes the annual listing of obligated projects which displays projects and strategies that were authorized and committed using federal funds in the previous year. The annual listing will be published on the WMPO website at www.wmpo.org within ninety (90) days following the end of the program year. Hard copies are available upon request by contacting the WMPO.

5.4 Unified Planning Work Program (UPWP)

The FAST Act requires each MPO, as a condition to the receipt of federal highway and transit capital or operating assistance, to conduct a documented comprehensive transportation planning

process. A Unified Planning Work Program (UPWP), which includes planning and project development activities that address transportation issues in the area, is required by this process. Annual certification that the planning process is being carried on in conformance with stated requirements is necessary for the receipt of funding for surface transportation programs, air quality, national highway system, Interstate maintenance, state bridge replacement, and transit capital and operating funds.

The purpose of the UPWP is to administer the MPO planning program and carry out the planning activities necessary to implement the MTP. It also serves to document the proposed expenditures of federal, state and local transportation planning funds, and provides a management tool for the WMPO and the funding agencies in scheduling major transportation planning activities and projects.

The major elements of the Unified Planning Work Program include:

- Surveillance of Change
- Metropolitan Transportation Plan
- Planning Work Program
- Transportation Improvement Plan
- Civil Rights/Other Regulatory Requirements
- Incidental Planning/Project Development
- Management and Operations

The UPWP must identify the MPO's planning tasks to be undertaken with the use of federal transportation funds, including highway and transit funds. The purpose of public involvement in the UPWP process is to keep the public apprised of and to receive input on the planning activities to be undertaken by the MPO.

5.5 Plan Specific Chart

	Public Comment Period	Public Hearing	Draft Document Availability	Responding to Public Comment	Final Plan Availability
MTP	Minimum 30 days	Not required	WMPO offices and website, WMPO member planning department offices, and at area libraries	When significant written/oral comments are received on the draft, a summary, analysis, and report on the disposition of comments shall be made as part of the final MTP	WMPO offices and website, WMPO member planning department offices, and at area libraries
MTIP	Minimum 30 days	Yes, prior to the MTIP adoption every 2 years	WMPO offices and website	When significant written/oral comments are received shall be presented to the Board	WMPO offices and website
UPWP	Minimum 30 days	Not required	WMPO offices and website	When significant written/oral comments are received shall be presented to the Board	WMPO offices and website
PPP	Minimum 45 days	Not required	WMPO offices and website	When significant written/oral comments are received shall be presented to the Board	WMPO offices and website

**WILMINGTON URBAN AREA METROPOLITAN PLANNING ORGANIZATION
BOARD**

**RESOLUTION SUPPORTING AMENDMENTS TO THE WILMINGTON URBAN
AREA METROPOLITAN PLANNING ORGANIZATION'S PUBLIC PARTICIPATION
PLAN TO ALLOW FOR ELECTRONIC MEETINGS**

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization provides transportation planning services for the City of Wilmington, Town of Carolina Beach, Town of Kure Beach, Town of Wrightsville Beach, Town of Belville, Town of Leland, Town of Navassa, New Hanover County, Brunswick County, Pender County, Cape Fear Public Transportation Authority and the North Carolina Board of Transportation; and

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization adopted a Public Participation Plan on January 25, 2017 that outlined how the public will participate in the business of the Wilmington Urban Area Metropolitan Planning Organization; and

WHEREAS; the Wilmington Urban Area Metropolitan Planning Organization has a need to conduct business and typically meets in person on a monthly basis; and

WHEREAS, the adopted Wilmington Urban Area Metropolitan Planning Organization's Bylaws include language that states "A quorum is required for the transaction of all business, including conducting meetings or hearings, participating in deliberations or voting upon or otherwise transacting public business. A quorum consists of 51% of the members of the Board, plus as many additional members as may be required to ensure that 51% of the possible votes are present; and

WHEREAS, during a declared State of Emergency, Boards and Committees of the Wilmington Urban Area Metropolitan Planning Organization may desire to conduct their business electronically; and

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization has prepared an amendment to the adopted Public Participation Plan that will allow for electronic//remote meetings.

NOW THEREFORE, be it resolved that the Board of the Wilmington Urban Area Metropolitan Planning Organization hereby supports amending the Wilmington Urban Area Metropolitan Planning Organization's Public Participation Plan to allow for electronic meetings.

ADOPTED at a regular meeting of the Wilmington Urban Area Metropolitan Planning Organization's Board on September 30, 2020.

CORRIDOR U

U.S. 74W/U.S. 74E/ I-74 – I-26 in Polk County to U.S. 117 in Wilmington

GENERAL DESCRIPTION

The 292-mile Corridor U serves southwest North Carolina from I-26 in Polk County to U.S. 117 in Wilmington, the primary access to the Port at Wilmington, traversing the state's southern tier counties and the Charlotte metropolitan area. U.S. 74 carries high truck volumes for the entire length of the corridor and high passenger volumes from Shelby to Monroe. Corridor U overlaps Corridor H (Future I-74) for 91 miles from Rockingham to Columbus County. The corridor is used as both a regional and statewide connection to major employment centers, airports, and health centers.

GEOGRAPHIC LOCATION

VISION PLAN SPECIFICS

This corridor follows U.S. 74 from I-26 in Polk County to I-85 in Gaston County, where it follows I-85 to I-485 on the west side of Charlotte in Mecklenburg County. Corridor U then follows I-485 on the southwest side of Charlotte from I-85 to U.S. 74, where it continues briefly along U.S. 74 before following the Monroe Expressway in Union County. Corridor U follows U.S. 74 from the southeastern terminus of the Monroe Expressway in Union County to U.S. 117 in New Hanover County.

- Freeway cross-section
- AASHTO Design Classification of Interstate or Freeway
- Minimum 4 lanes with a median
- Connections provided only at interchanges
- Traffic signals and driveways not allowed

AREAS IDENTIFIED FOR ADDITIONAL STUDY

- Complete high-capacity, high-speed improvements for improved route continuity
- Increase reliability and capacity from Shelby to Monroe
- Safety improvements on rural, uncontrolled access sections to address high crash sections or hot spots
- Establish consistent route continuity for improved freight operations
- Park and Ride and Express Bus providing additional public transit options to address congestion
- Track improvements to facilitate rail freight/passenger flow based on rail and freight plans
- Wilmington area improvements

CORRIDOR U

U.S. 74W/U.S. 74E/ I-74 – I-26 in Polk County to U.S. 117 in Wilmington

KEY FUNCTIONS AND EXPECTATIONS (FUNCTIONS OF CORRIDOR IN CONTEXT OF STC GOALS AND CRITERIA)

- **Connectivity:** Corridor U is a part of the STRAHNET and STRACNET military networks and is becoming part of the interstate system from Richmond County to Columbus County.
- **Mobility:** This corridor connects Charlotte, Wilmington, and other regional population centers with multiple interstates and major routes including I-26, I-85, and I-95 providing passenger and freight mobility across the state's southern tier.
- **Economic Prosperity:** U.S. 74 connects multiple statewide economic resources including two international airports, Carolinas Medical Center, and the Port of Wilmington.
- **Expectation:** Corridor U is expected to remain the principal east-west corridor through NC's southern tier of counties. The principal mobility expectations are safe, reliable transition through the greater Charlotte region and consistent, high-speed travel from the Port of Wilmington to the Charlotte metro region, in support of high-level economic activities.

CROSS-SECTION

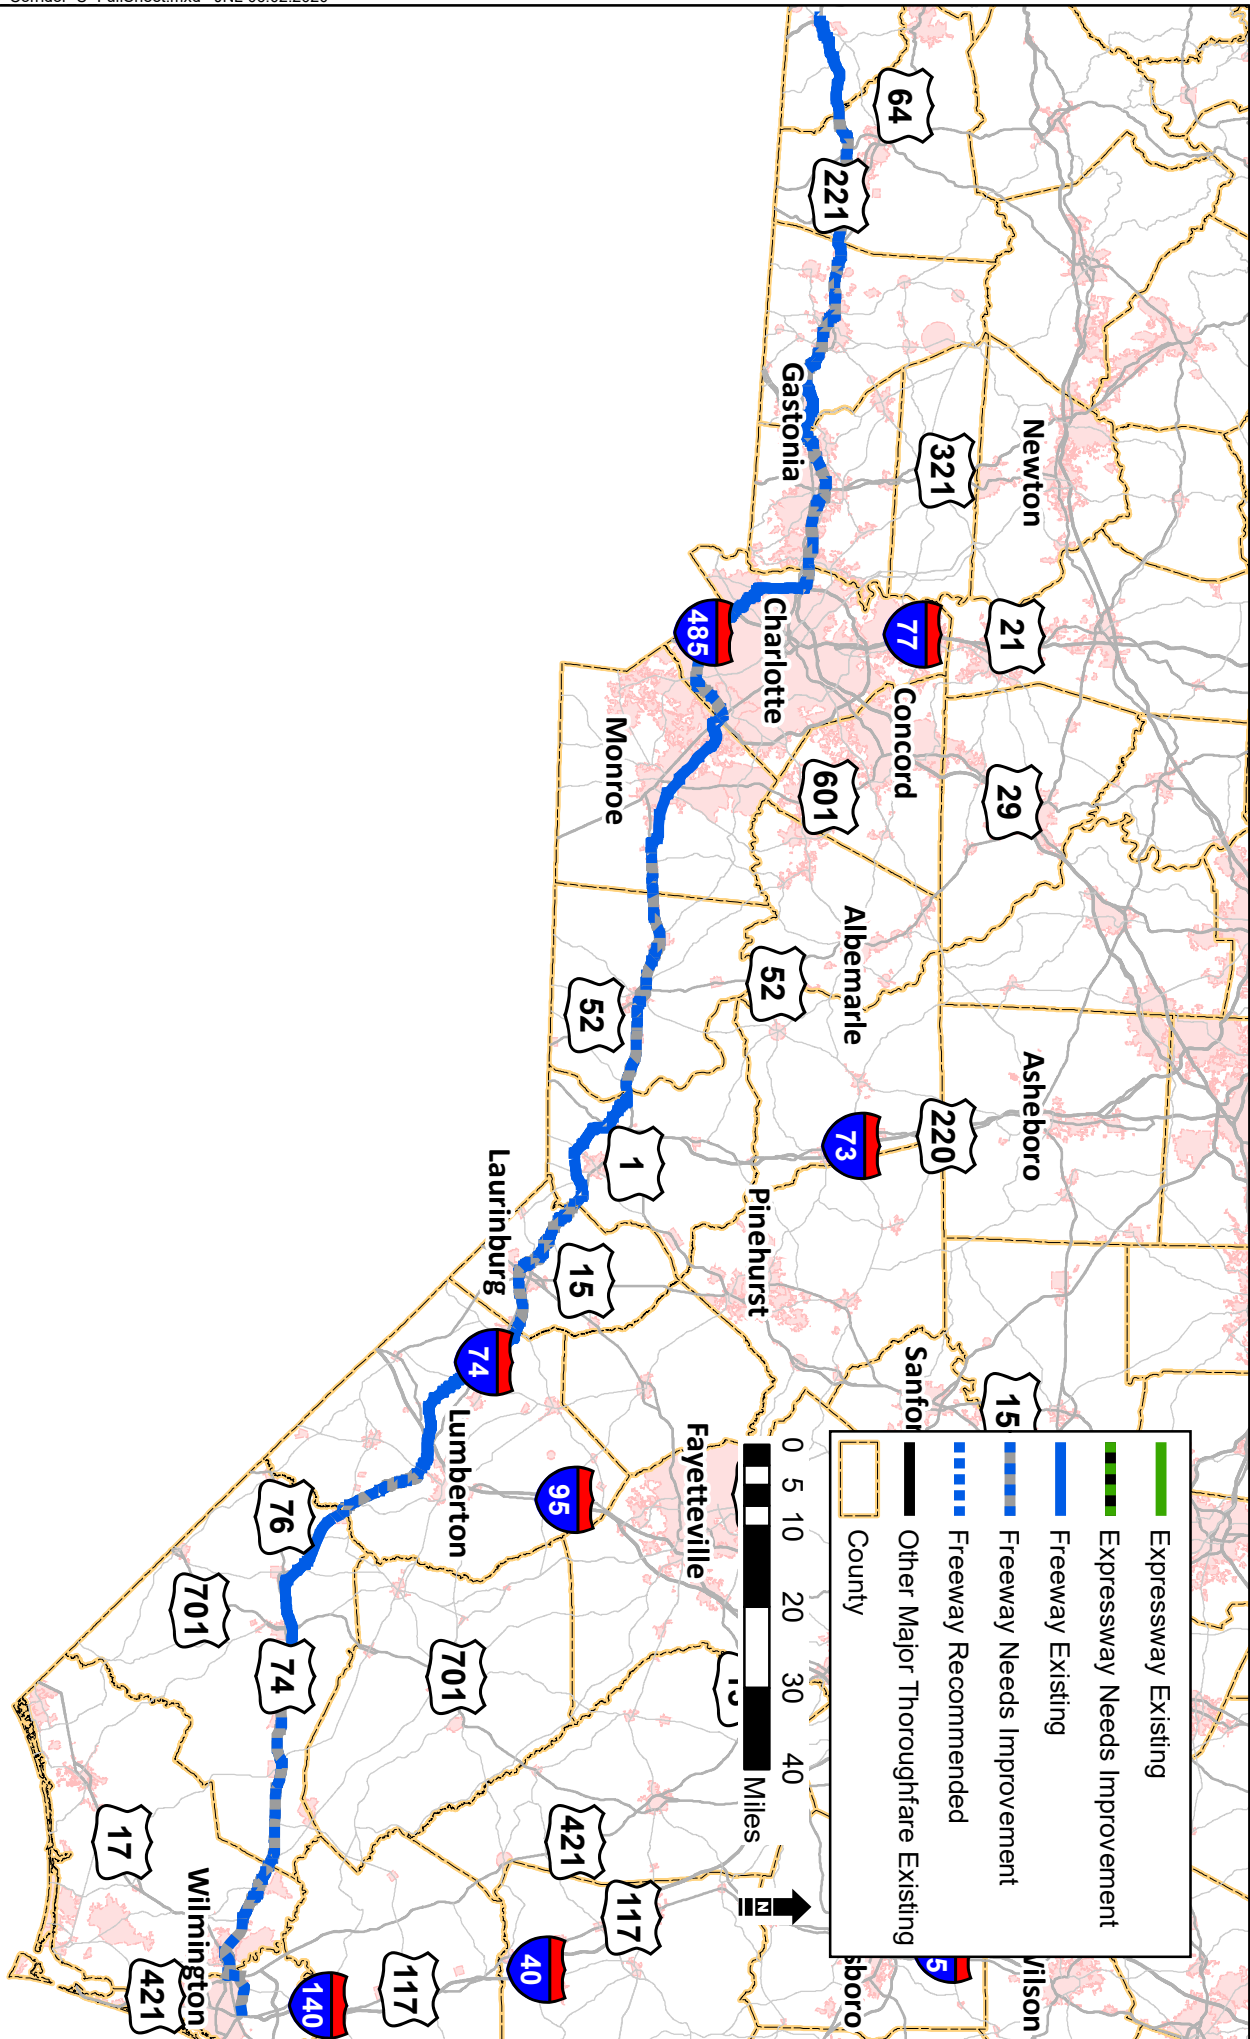

Typical Section No. 4A 4 Lane Divided (46' Depressed Median) with Paved Shoulders

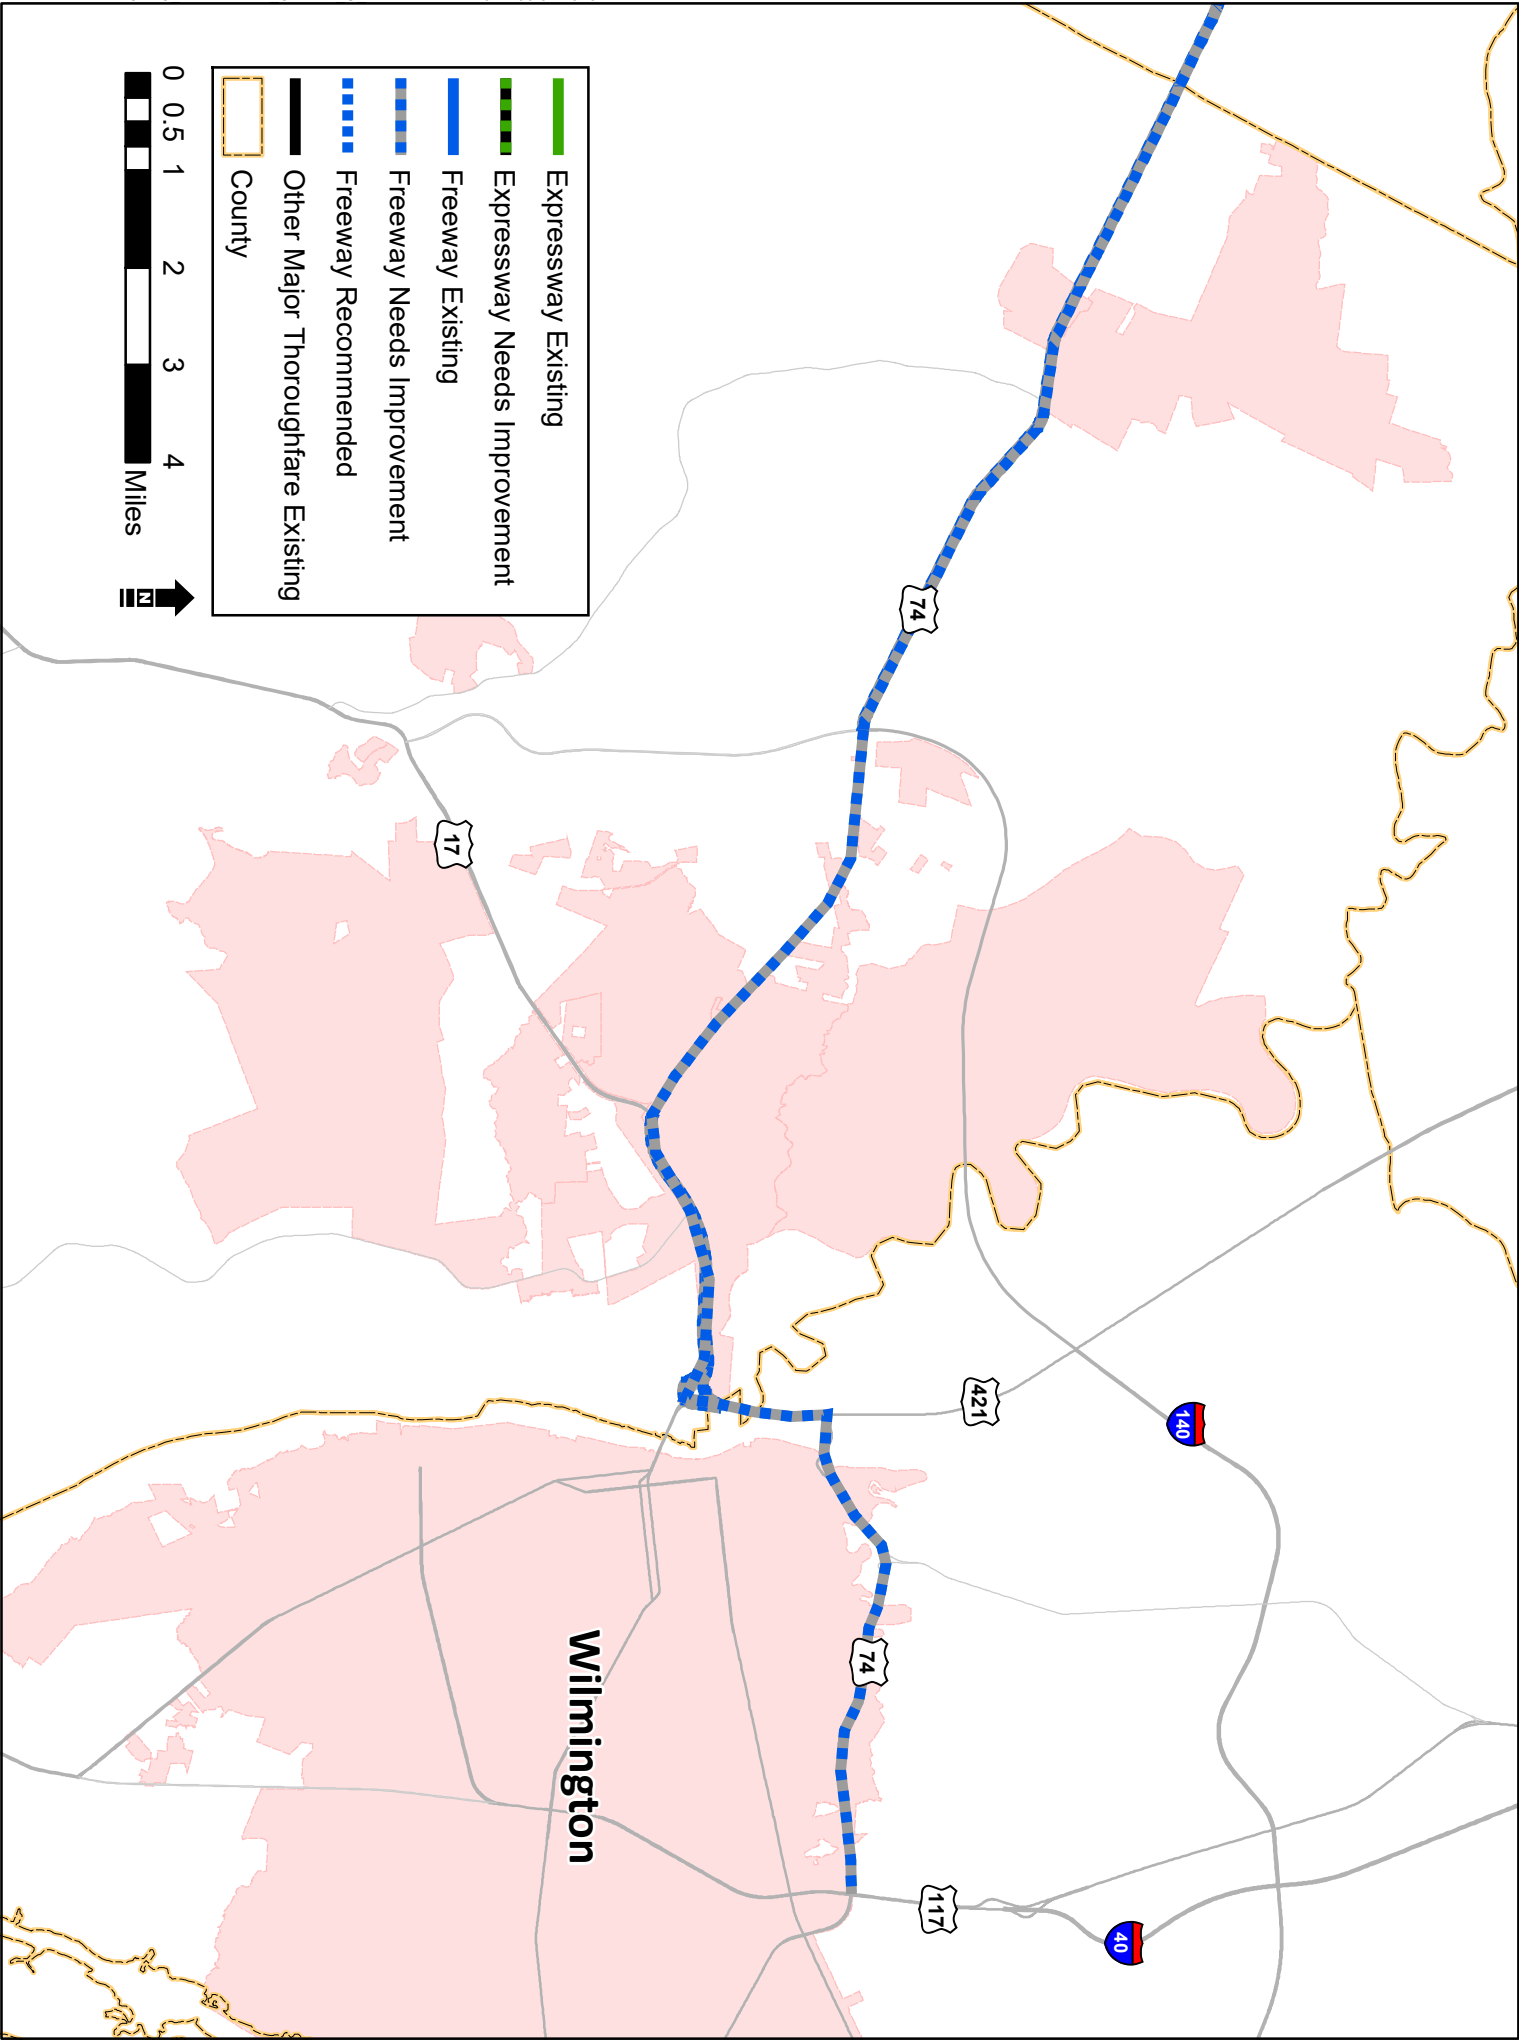

Posted Speed 45-70 mph

**WILMINGTON URBAN AREA METROPOLITAN PLANNING ORGANIZATION
BOARD**

**RESOLUTION SUPPORTING THE U.S. 74 MASTER PLAN VISION, FROM I-26 IN
POLK COUNTY TO U.S. 117 WILMINGTON, CORRIDOR U OF THE STRATEGIC
TRANSPORTATION CORRIDORS NETWORK**

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization provides transportation planning services for the City of Wilmington, Town of Carolina Beach, Town of Kure Beach, Town of Wrightsville Beach, Town of Belville, Town of Leland, Town of Navassa, New Hanover County, Brunswick County, Pender County, Cape Fear Public Transportation Authority and the North Carolina Board of Transportation; and

WHEREAS, the N.C. Department of Transportation adopted the Strategic Transportation Corridors (STC) Network in 2015 to establish a multimodal, high-priority system of highways, rail lines, ports, and airports to support smart planning, help set long-term investment decisions, and ensure that North Carolina's economic prosperity goals are achieved; and

WHEREAS, the North Carolina Transportation Network and Strategic Transportation Corridors Framework calls for the development of individual strategic corridor master plans in each of the 25 designated corridors with a buffer of 20 miles on either side of each facility; and

WHEREAS, the corridor master plan for U.S. 74, from I-26 in Polk County to U.S. 117 in Wilmington, identified as Corridor U in the STC Framework, is being advanced from its more general network-level identification to a corridor-specific master plan vision built upon a common technical framework; and

WHEREAS, the intent of the Corridor U Master Plan is to develop a consistent transportation vision for the corridor, based on stakeholder input and sound technical assessment, that recognizes statewide economic development objectives, advances subsequent regional planning and corridor project development activities, and can serve to streamline the project development process; and

WHEREAS, it is the intent of the N.C. Department of Transportation to expand and maintain Corridor U as a freeway from I-26 in Polk County to U.S. 117 in Wilmington; and

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization represents Corridor U along U.S. 74 from N.C. 87 (Maco Road NE) in Brunswick County to U.S. 117 in New Hanover County.

NOW THEREFORE, be it resolved that the Board of the Wilmington Urban Area Metropolitan Planning Organization hereby that the Wilmington Urban Area Metropolitan Planning Organization, does hereby adopt this resolution supporting the N.C. Department of Transportation master plan vision for Corridor U along U.S. 74 from N.C. 87 (Maco Road NE) in Brunswick County to U.S. 117 in New Hanover County.

ADOPTED at a regular meeting of the Wilmington Urban Area Metropolitan Planning Organization's Board on September 30, 2020.

David Piepmeyer, Chair

Mike Kozlosky, Secretary

**WILMINGTON URBAN AREA METROPOLITAN PLANNING ORGANIZATION
BOARD**

**RESOLUTION ENCOURAGING THE NORTH CAROLINA DEPARTMENT OF
TRANSPORTATION, NORTH CAROLINA GENERAL ASSEMBLY, AND GOVERNOR
OF NORTH CAROLINA TO EXPLORE NEW FUNDING MECHANISMS THAT
COULD RAISE FUNDS TO ACCELERATE MUCH NEEDED TRANSPORTATION
PROJECTS**

WHEREAS, the Wilmington Urban Area Metropolitan Planning Organization provides transportation planning services for the City of Wilmington, Town of Carolina Beach, Town of Kure Beach, Town of Wrightsville Beach, Town of Belville, Town of Leland, Town of Navassa, New Hanover County, Brunswick County, Pender County, Cape Fear Public Transportation Authority and the North Carolina Board of Transportation; and

WHEREAS, the North Carolina Department of Transportation has been experiencing declining revenues and experienced cash management issues; and

WHEREAS; the Department has experienced approximately \$2 Billion in declining revenues for the State Transportation Improvement Program and \$3 Billion in project cost increases; and

WHEREAS, the Department has implemented drastic cost reduction strategies and other measures in an effort to get above the Legislative cash floor; and

WHEREAS, the Department has also proposed radical revisions to the adopted 2020-2029 STIP/MPO TIP that will delay much needed transportation infrastructure projects in our state and region; and

WHEREAS, Board of the Wilmington Urban Area Metropolitan Planning Organization recognizes the North Carolina Department of Transportation as a partner and desires to assist the Department in getting the previously committed projects back on their respective funding cycles.

NOW THEREFORE, be it resolved that the Board of the Wilmington Urban Area Metropolitan Planning Organization hereby encourages the North Carolina Department of Transportation, North Carolina General Assembly, and Governor of North Carolina to explore new funding mechanisms to could raise the funds necessary to accelerate these much needed transportation projects.

ADOPTED at a regular meeting of the Wilmington Urban Area Metropolitan Planning Organization's Board on September 30, 2020.

David Piepmeyer, Chair

Mike Kozlosky, Secretary

WILMINGTON URBAN AREA
MPO
September 2020

2045 METROPOLITAN TRANSPORTATION PLAN

Project Description/Scope: The Wilmington Urban Area Metropolitan Planning Organization is required by federal law to update the Metropolitan Transportation Plan every 5 years. The last plan was adopted by the MPO Board on November 18, 2015. The next update is required to be adopted by November 2020. This plan will guide the regional transportation priorities and actions, and be used for project selection in the State/Metropolitan Transportation Improvement Programs. The MPO Board appointed a Citizen Advisory Committee (CAC) to help guide the development of this plan. A four month public outreach period was held between April 3, 2018 and July 31, 2018. During this period, there were 2,287 transportation survey responses, 563 comments on the public input map tool, and 4,554 votes on map comments, totaling 7,404 responses collected. In July 2018, the six modal subcommittees began meeting with the initial task of developing modal goals and objectives, which were completed in October 2018 and officially adopted by the Board in November 2018. The Modal Subcommittees have completed scoring criteria, evaluation of projects and development of the draft policies. The CAC, TCC and Board received the financial forecasts and potential alternative funding sources in March 2019. The consultant completed the project cost estimates and alternative funding forecasts in June 2019. A red line, fiscal constraint analysis of ranked modal projects were prepared and presented by staff to the CAC, TCC, and Board in July. The WMPO Board proposed changes at its August meeting and adopted a resolution endorsing the amended draft project lists in September 2019. In November 2019 the Board passed a resolution to include the estimated toll revenues for the Cape Fear Crossing project within the fiscally constrained projects list as a supported alternative form of funding. The draft plan was released for a 30-day public comment period on February 26th, 2020 and five regional open houses were scheduled throughout the region. Due to the onset of restrictions caused by COVID-19, only two of the five in-person open houses were held and the public comment period was extended through May 15th, 2020. Additionally, WMPO staff held three virtual open houses July 6th, 7th, and 8th, 2020. All comments received were addressed by staff and final revisions, recommended by staff and approved by the Board, were made to the draft plan. The WMPO Board approved the final draft of the plan at its July 2020 Board meeting.

Next Steps:

- Presentation of final plan highlights to WMPO members in September 2020
- Adoption of final plan on November 18, 2020

SITE DEVELOPMENT REVIEW

Project Descriptions/Scope: The Wilmington Urban Area MPO assists with site development and Transportation Impact Analysis review for the MPO's member jurisdictions. During the last month, staff has reviewed the following development proposals:

**STBGP-DA/TASA-DA FY 2013 to
Present STBGP-DA**

U-5534C - WRIGHTSVILLE AVENUE/GREENVILLE AVENUE TO HINTON AVENUE

Project Descriptions/Scope: The project is for construction of intersection re-alignment improvements at the intersection of Wrightsville Avenue/Greenville Avenue and bike lanes and sidewalks along Greenville Avenue from Wrightsville Avenue to Hinton Avenue.

Project Status and Next Steps:

- Complete review of final design package and submit to NCDOT for review– Summer 2020
- NCDOT final design approval and City to request Construction Funds Authorization – Fall 2020
- Begin Construction – Early 2021

U-5534D - TOWN OF LELAND - OLD FAYETTEVILLE ROAD MUP

Project Descriptions/Scope: This project is for design and construction of a ten foot (10') wide multi use path, separate but adjacent to Old Fayetteville Road, beginning at or around the corner of the Leland Town Hall Campus and ending at the driveway of the North Brunswick High School.

Project Status and Next Steps:

- On April 15th, Ron Vancleef reported that Division Maintenance Engineer verified that 100% of the funds for the resurfacing project were available
- Construction authorization issued on or about 5/15/2020
- Town agreed to defer reimbursement
- Bid Opening- August 27, 2020
- Bids were within engineers estimate
- Town Council to consider award on September 17th

U-5534F – CITY OF WILMINGTON – PARK AVENUE MUP – PHASE II

Project Descriptions/Scope: This project is for the design and construction of an off-road multi-use path between Audubon Boulevard and Kerr Avenue. The right of way certification was received November 2, 2016.

Project Status and Next Steps:

- • Plans approved August 20, 2019

- Right-of-Way Certification was approved on June 7, 2020
- Bid documents were initially approved on 11/22/19. Bid documents are currently being reviewed again since the project was not advertised for bid within 6 months of the initial bid document approval.
- Utility/RR certification was dated February 26, 2020
- Begin Construction – Winter 2020/2021
- Complete Construction – Spring 2021

U-5534G –CITY OF WILMINGTON- HOOKER ROAD MULTI-USE PATH

Project Descriptions/Scope: The project consist of the construction of a 10' wide multi-use path along Hooker Road from Wrightsville Avenue to Mallard Drive/Rose Ave intersection

Project Status and Next Steps:

- Complete final design package and submit to NCDOT for review– Fall 2020
- Update/renew permits – Fall 2020
- NCDOT final design approval – Winter 2020/2021
- Right of way acquisition complete – Spring 2021
- Begin Construction – Spring 2021
- Complete Construction – Spring 2022

U-5534H –CITY OF WILMINGTON- HINTON AVE MULTI-USE PATH

Project Descriptions/Scope: This project consists of the construction of a 10' wide multi-use path along Hinton Avenue from Park Avenue to Greenville Avenue.

Project Status and Next Steps:

- Complete final design package and submit to NCDOT for review–Fall 2020
- Update/renew permits – Fall 2020
- NCDOT final design approval – Winter 2020/2021
- Right of way acquisition complete – Spring 2021
- Begin Construction – Spring 2021
- Complete Construction – Spring 2022

U-5534I –TOWN OF LELAND- VILLAGE ROAD MULTI-USE PATH EXTENSION

Project Descriptions/Scope: The construction of a 8 foot wide concrete path from the connection at the Brunswick Center in Leland across the front of the library property, down Village Road, ending on the western edge of the First Baptist Church property before the Sturgeon Creek Bridge.

Project Status and Next Steps:

- Construction authorization issued on or about 5/15/2020
- Town agreed to defer reimbursement
- Bid Date – August 27, 2020
- Bids were within engineers estimate
- Town Council to consider award on September 17th

U-5534J – TOWN OF LELAND- OLD FAYETTEVILLE LOOP ROAD PEDESTRIAN LOOP

Project Descriptions/Scope: The construction of sidewalks in three locations: 1) The construction of an 8 foot concrete sidewalk along Village Road from Town Hall Drive to the apartment complex and widening the existing 5 foot sidewalk in front of the apartment complex to 8 feet. 2) The construction of a 6 foot sidewalk along Town Hall Drive from Village Road NE to the sidewalk that

exists by the new Town Hall. 3) The construction of a 5 foot sidewalk along Old Fayetteville Road from the existing sidewalk in front of the apartment complex to Village Road NE.

Project Status and Next Steps:

- Construction authorization issued on or about 5/15/2020
- Town agreed to defer reimbursement
- Bid Date – August 27, 2020
- Bids were within engineers estimate
- Town Council to consider award on September 17th

U-5534K – TOWN OF LELAND- LELAND MIDDLE SCHOOL SIDEWALK

Project Descriptions/Scope: The construction of 5 foot wide concrete sidewalk adjacent to Old Fayetteville Road from Ricefield Branch Road to the US Hwy 74/76 overpass after Glendale Drive with connections to Leland Middle School and the surrounding neighborhoods.

Project Status and Next Steps:

- Construction authorization issued on or about 5/15/2020
- Town agreed to defer reimbursement
- Bid Date – August 27, 2020
- Bids were within engineers estimate
- Town Council to consider award on September 17th

U-5534Q –CITY OF WILMINGTON- S. COLLEGE/HOLLY TREE CROSSWALKS

Project Description/Scope: The project will install sidewalk, ADA ramps, curb and gutter, markings and traffic signal revisions required to install actuated pedestrian crossings of S. College Road and crossings on Holly Tree Road.

Project Status and Next Steps:

- NCDOT Plans to resurface from 17th Street to Shipyard Blvd in 2021
- The City needs to have a discussion from the 4SW200 committee/MPO about additional funding needed to design and build project.

U-5534S (FORMERLY U-5534M)- TOWN OF WRIGHTSVILLE BEACH- CORAL DRIVE SIDEWALKS

Project Descriptions/Scope: The construction of sidewalks along Coral Drive will install approximately 954 linear feet of 5 foot wide sidewalk on Coral Drive adjacent to Wrightsville Beach Elementary. The Town hired SEPI to complete the design.

Project Status and Next Steps:

- Project is ready for bidding and construction. Plans and PCE have been approved. The contract documents have been approved.
- Additional funding was approved by the MPO Board in May 2020
- Anticipated bidding in early 2021.

U-5534U – TOWN OF NAVASSA- NAVASSA PARK MULTI-USE PATH

Project Description/Scope: This project will construct bike lanes on both sides of Brooklyn Street, a multi-use path connecting Brooklyn Street to the Navassa Park, and a multi-use path through the Navassa Park forming a loop within the park.

Project Status and Next Steps:

- 30% Plans comments received from NCDOT on January 31, 2020; 65% plans provided to Town

and are under review for submittal to NCDOT.

- Project design and construction documents are moving forward; however, right-of-Way funding request is on hold due to NCDOT budget shortfall.
- Construction Funding is anticipated in FY2021

EB-6025- TOWN OF BELVILLE- RICE HOPE MULTI-USE PATH

Project Description: The project consists of the construction of a multi-use path of eight feet (8') wide located at the western side of NC 133 between Morecamble Blvd and Rice Hope Run.

Project Status and Next Steps:

- The agreements have been executed
- The Town has selected Withers & Ravenel as the engineer
- NCDOT has approved the town's selection of a PE contractor.

U-6234 MULTI-MODAL PHASE 1 B

Project Description/Scope: Rehabilitation of the historic structure located at 525 N 4th Street for a transportation purpose

Project Status and Next Steps:

- City Council approved the agreement with HDR in July
- A kick-off meeting was held on August 31st and September 1st.
- The consultant will begin to develop the conceptual designs.

U-6235 – City of Wilmington/New Hanover County – Signal Pre-emption Phase 2

Project Description/Scope: The project will install traffic pre-emption equipment at 50 locations throughout the City of Wilmington and New Hanover County and GPS equipment on emergency response vehicles.

Project Status and Next Steps:

- U-6235 agreement between NCDOT and City of Wilmington executed March 2020.
- Cost sharing agreements with New Hanover County started June 2019 and completed March 2020.
- NCDOT Authorization for Preliminary Engineering received March 2020.
- Project goals reviewed with NCDOT Division 3.
- Interagency maintenance agreements and addendums are in development.
- 90-day Design Proposal received May 2020. Waiting on response for extension of proposal.
- WMPO advised of pause in NCDOT funding availability.

U-6039 – CAROLINA BEACH – ST. JOSEPH BIKE LANES

Project Description/Scope: Construct Bike Lanes along St. Joseph Avenue and Lewis Drive from Lake Park Boulevard to Access Drive in Carolina Beach

Project Status and Next Steps:

- TIP number has been entered. Town to upload information in EBS to request agreement.

TASA-DA

U-5527C NEW HANOVER COUNTY – MIDDLE SOUND GREENWAY – EXTENSION TO MIDDLE SOUND VILLAGE

Project Descriptions/Scope: This project is for the construction of a multi-use path along Middle

Sound Loop Road from Oyster Lane to the Middle Sound Village property line.

Project Status and Next Steps:

- Awaiting concurrence from DOT to begin construction
- RFLOI for construction oversight due Sept. 14th- Anticipate concurrence by early Oct.
- Will set Pre-Con meeting once these two items are complete- October 2020

EB- 6026- TOWN OF BELVILLE- BELVILLE ELEMENTARY- MULTI-USE PATH

Project Description: The project consists of the construction of a multi-use path of eight feet (8') wide located along NC 133 connecting north and south entrances of Hawks Water Development to Belville Elementary School.

Project Status and Next Steps:

- The agreements have been executed
- The Town has selected Withers & Ravenel as the engineer
- NCDOT has approved the town's selection of a PE contractor.

EB-6027 – NEW HANOVER COUNTY -MIDDLE SOUND GREENWAY

Project Description: Design only of the Middle Sound Greenway connection to Ogden Park

Project Status and Next Steps:

- Completing hydraulic design
- Anticipate final drawing completion by end of month
- Working with Marta Mathews to modify project with new Supplemental Agreement now (entered in system last week)

EB-6028 —CITY OF WILMINGTON- 21ST STREET/MARKET HAWK SIGNAL

Project Description: Design and construction of a HAWK signal at the pedestrian crossing at Market Street and 21st Street

Project Status and Next Steps:

- Pre-Design scoping meeting with Davenport Engineering and NCDOT Division Personnel occurred on 2/20.
- Scope of design defined, but this scope was much larger than initially anticipated. Adjustment to PE Authorization will be needed.
- NCDOT Manday estimate for issuance of task order approved on 6/24/2020
- The project will be placed on indefinite hold until such time as NCDOT addresses the Cash Balance issue. All projects have been asked to get to a stopping place due to NCDOT's inability to pay for work.
- NCDOT recommended Change Request to increase funding, but cannot guarantee approval yet. Contract will not be released for execution until the additional funding is approved.
- Survey and Design for NCDOT review.

EB-6029 – TOWN OF CAROLINA BEACH – CLARENDON AVENUE MULTI-USE PATH

Project Description: Construction of the Clarendon Avenue multi-use path from 4th Street to Dow Road

Project Status and Next Steps:

- The Town is evaluating the scope for the project.

TRANSPORTATION DEMAND MANAGEMENT PROGRAM

Project Description/Scope: UNCW is taking the role as lead employer for the Cape Fear region. The WMPO will coordinate with UNCW to work with other major employers in the region to identify opportunities for public outreach, marketing, carpooling, vanpooling, alternative/compressed work schedules, Emergency Guaranteed Ride Home, park and ride lots, etc. The MPO adopted "Work Cape Fear: Expanding Commuter Options in the Cape Fear Region" TDM Short Range Plan on January 28, 2015 and also authorized staff to apply for a TDM grant through NCDOT that funded a full-time TDM Coordinator position. The Agreement with NCDOT for the full-time TDM Coordinator position was approved on November 4, 2015. The TDM program works to increase active transportation initiatives and increase community knowledge of commuter options. The MPO finalized the Strategic Marketing Plan for the "Go Coast" program. In addition, the WMPO has been working with the City of Wilmington to implement a bike share program. The TDM program has continued to grow and progress and below are project status and next steps.

Project Status and Next

Steps: Initiatives

1. Watch For Me NC
 - a. Wilmington will partner with NCDOT for 2020 Watch For Me NC bicycle and pedestrian safety program. Watch for Me NC task force comprised of WPD, WFD, Go Coast, Wilmington Engineering, and NHRMC are convening monthly
2. 2020 Bike To Work Week was moved by the League of American Bicyclists from May to September 21-26. Go Coast still Bike Month in May but will be promoting Bike to work Week In September
3. Go Coast will host 2020 Commuter Challenge in October with a strong emphasis on telecommuting
4. Wilmington was designated a Bronze Level Bicycle Friendly Community by the League of American Bicyclists (LAB) in April 2020
 - a. LAB to provide feedback about how to become more bicycle friendly. Feedback to be received TBD
5. Short Range TDM Plan
 - a. Plan currently being reviewed by the Go Coast Committee. TCC and Board to receive draft in Fall of 2020
6. CASSI Autonomic Vehicle three month grant for Carolina Beach and Downtown Wilmington. Application deadline has been extended to July 31, 2020.
 - a. Waiting to hear back from NCDOT
 - b. Next Go Coast meeting is September 17th and will be hosted virtually.

Cape Fear Public Transportation Authority

Project Update

September 2020

1. **Bus Fleet Replacement** - On July 24, 2020, the Authority received notification of award in the amount of \$550,000 for the replacement of one (1) bus under phase one of the VW mitigation settlement. An RFP for funding was issued by NC DAQ on June 17, 2019. An application for four (4) CNG buses was submitted in response to the RFP; however, award was granted for the replacement of one (1) CNG bus. The project is funded at 100% and requires no local matching funds. A second phase of funding through the VW settlement grant is anticipated for release in CY2021.
2. **Network Redesign Proposal** - On January 21, 2020, the City of Wilmington and New Hanover County each adopted a Concurrent Resolution of the Wilmington City Council and the Board of Commissioners of New Hanover County for Enhanced Public Transportation Operations and Efficiency. TransPro has been retained by New Hanover County and the City of Wilmington to serve as consultant to the board during the evaluation process. A network redesign proposal was developed and presented to the Wave Transit board for consideration on July 23, 2020. The proposal was refined to include comments provided by Authority staff and the Wave Transit board. A revised proposal was presented to the Wave Transit board during the August 27, 2020 meeting. Analysis of the revised proposal is underway with discussion slated to continue during the September 24, 2020 meeting.
3. **Executive Director Search** - Search efforts for an Executive Director, spearheaded by the City of Wilmington's Human Resources Department, are underway. Efforts are slated to concluded with a new Executive Director seated by the close of October 2020.

SEPTEMBER TPD UPDATES WILMINGTON MPO

SEPTEMBER 2020

Brunswick County Model: The Brunswick County Model was completed in February of this year.

Wilmington Model: The 2045 model is ready for MTP testing. The 2045 model will be considered the official Wilmington MPO Model when the MTP is adopted.

NC Moves 2050: The project team has developed the draft NC Moves 2050 Plan recommendations. NC Moves 2050 Draft Recommendations public comment period has been delayed due to COVID 19 and NCDOT's current budget shortfall. Please visit the project website for the latest information: <https://www.ncdot.gov/initiatives-policies/Transportation/nc-2050-plan/Pages/default.aspx>

HB 77 – DOT 2020-2021 Budget/Governance Bill: HB 77 has passed both the House and the Senate and is now law. Selected portions of the bill include the allowance for NCDOT to sell \$700,000,000 in NC BUILD Bonds for FY 2020-2021 and the development of a Department of Transportation Spend Plan. Please see the following link for a Summary of HB 77: <https://www.ncleg.gov/Sessions/2019/Bills/House/PDF/H77v7.pdf>

Greenway Ideas: NCDOT wants your feedback about how to improve our state's greenways. The NCDOT Great Trails State Plan will use existing plans and new recommendations to identify a network of trails that connect every county in North Carolina. Share your thoughts at <https://www.ncdot.gov/divisions/bike-ped/great-trails-state/Pages/getinvolved.aspx>

NCDOT Logistics + Freight Bulletin: NCDOT has developed an NCDOT Logistics + Freight Bulletin. It focuses on sharing current issues, trends, data, and analyses on freight and logistics across every mode. It aims to expand awareness and understanding of the larger supply chain ecosystem in which multimodal freight transportation is an active and important player. The NCDOT Office of Logistics + Freight are supply chain management professionals at NCDOT dedicated to supporting and providing resources to NCDOT stakeholders at every stage of project delivery from planning through construction, ensuring infrastructure investment is connected to industry and commerce. They are available to provide relevant data, research, insight, and analysis for NCDOT project managers, planners, or stakeholders on freight activity and behavior across every mode of transportation. Another valuable resource for freight information is the NC Statewide Multimodal Freight Plan: bit.ly/NCDOTfreightplan.

FHWA News: On June 16, 2020, FHWA awarded a \$2.1 million Advanced Transportation and Congestion Management Technologies Deployment (ATCMTD) grant to the NCDOT for its Multimodal Connected Vehicle Pilot Project. The NCDOT project will create a connected environment that can evaluate the impact of connected vehicle technology on driver and pedestrian safety. The project will include an application delivering safety notifications to all multimodal users—pedestrians, cyclists, transit riders and motorist. The project will use a communication system to improve transit efficiency using in-vehicle and roadside connected infrastructure and a new transit signal priority system.

Hurricane Isaias Clean up: State Transportation Crews have completed cleanup and repair efforts after Hurricane Isaias after the category 1 storm came ashore in Brunswick County earlier in August. As soon as conditions were safe, crews assessed potential damage and found hundreds of downed trees and power lines as well as coastal flooding in Brunswick and New Hanover counties. Isaias caused 45 state-maintained roads to close temporarily.
