**WILMINGTON URBAN AREA  
MPO  
July 2022**

**WALK WILMINGTON COMPREHENSIVE PEDESTRIAN PLAN UPDATE**

**Project Description/Scope:** The City of Wilmington, in recognizing the desire of its citizens for a more walkable, livable community, applied for and received an NCDOT Planning Grant in 2021 to update the 2009 Walk Wilmington Comprehensive Pedestrian Plan. A Steering Committee, comprised of local stakeholders, citizens, and city staff, has been assembled to work with the consultant, Alta, to guide the development of the plan's update. The Steering Committee held its first meeting on Monday, March 28th. During the meeting, Steering Committee members discussed their visions for the future of walking in the City; reviewed the successes of the current plan and opportunities to build upon; and began identification of where improvements will be most critical in the future. Alta completed a draft existing conditions analysis and an infrastructure safety analysis. The infrastructure safety analysis was presented to and discussed by the Steering Committee during its May 26th meeting, as well as a strategy for public engagement. A comprehensive public engagement period that includes both a survey and input map application began June 15 and will continue until July 27. Ongoing during the outreach process are several in-person survey opportunities targeted to gather input from traditionally underserved communities.

**Project Status and Next Steps:**

- Development of project and policy recommendations and review by Steering Committee planned for summer late 2022.
- Draft plan anticipated for release in fall 2022.
- Final plan presentation to City Council in December 2022.

**NAVASSA COLLECTOR STREET PLAN**

**Project Description/Scope:** In October, the Town of Navassa, the WMPO, and AECOM kicked off the development of the Navassa Collector Street Plan. Development of the plan, which will replace the 2004 Town of Navassa Collector Street Plan, is scheduled to last approximately eight months. The plan is funded as a special study in the WMPO's adopted FY 22 UPWP. The new collector street plan will serve as a tool for the Town to guide both public and private investments in shaping the transportation network as the Town continues to grow. The plan will provide a comprehensive network of streets to safely and efficiently access major roads and thoroughfares, outline collector street design recommendations, and identify opportunities for multimodal connectivity, preparing the Town to serve future developments while preserving its existing neighborhoods. The proposed collector street network will complement the Town's future park and trail network as well as the Comprehensive Bicycle and Pedestrian Plan currently in development. Plan development is being guided by a Steering Committee and incorporates public input received via a public survey and both in-person and virtual public meetings.

**Project Status and Next Steps:**

- Draft plan (including implementation plan) was provided by AECOM on April 29th
- Revised draft plan was provided by AECOM on June 4th
- Final Steering Committee Meeting was held on June 23rd to review the revised draft plan
- Presentation to Navassa Town Council in July 2022
- Presentation to WMPO Board in August 2022

## **TRANSPORTATION DEMAND MANAGEMENT PROGRAM**

**Project Description/Scope:** The TDM “Go Coast” program works to increase the use of alternative transportation by WMPO residents and decrease Vehicle Miles Traveled (VMT). The WMPO Board approved Cape Fear Change in Motion 2020, the short-range TDM Plan which will guide Go Coast initiatives from 2021 to 2025. This plan identifies seven short-range strategies to increase mobility options and reduce traffic in the WMPO region. These strategies are: Alternative Work Schedules, Bike

Share Program, Carpool and Vanpool, Consulting for Telecommuting Opportunities, Fostering a Bicycle and Pedestrian Friendly Culture, Improved TDM-Focused Collaboration, and Personalized Commuter Plans.

**Go Coast current initiatives and project status:**

**1. Bike Share**

The WMPO Board approved the release of a new Request for Proposal (RFP) to bring a bike share program to the Wilmington area. The RFP closed on April 11, 2022, and a bike share selection committee was assembled to review and score proposals. The committee voted to reject all proposals and re-advertise the RFP to solicit more options. After internal discussion, WMPO staff elected to pause the process while staff holds discussions with member jurisdictions to determine the best route forward.

**2. New Hanover County's ¼ Cent Sales Tax for Transit**

Go Coast is utilizing its social media presence to assist in educating the public about New Hanover County's ¼ cent sales tax for transit referendum that will be on the ballot for all county residents to decide on in November 2022.

**3. City of Wilmington Trail Etiquette Video Update**

Go Coast has been assisting City of Wilmington Parks staff in an update to its 2013 Trail Etiquette video.

**4. Brunswick Heritage Riverside Ride**

Go Coast has been working with local staff in Navassa, Leland, Belville, and Brunswick County to begin preparation for the second annual Brunswick Heritage Riverside Ride. The ride is tentatively set for September 24, 2022. A coordination meeting will be held in mid-July to finalize the date.

**5. TDM Coordinator Position**

WMPO staff is currently advertising for an associate planner to assume the roles and responsibilities of the TDM program's coordination. The position will remain open until a qualified candidate is hired.

**6. Go Coast Meeting**

Staff will reach out to committee members in July to determine the next meeting date.
