About the WMPO

The Wilmington Urban Area Metropolitan Planning Organization (WMPO) is the regional transportation planning agency for the lower Cape Fear region of southeastern North Carolina. The WMPO facilitates a cooperative, comprehensive, and continuing transportation planning process that serves as the basis for the expenditure of all federal transportation funds in the area, for streets, highways, bridges, public transit, and bicycle and pedestrian facilities.

About Go Coast

We can’t always build our way out of congestion. Go Coast provides alternative and sustainable transportation options to those who live, work, and play in the Cape Fear Region. Go Coast emphasizes the movement of people rather than motor vehicles by encouraging the use of alternative transportation such as bicycling, walking, carpooling, and transit; so that while the population grows, your commute time stays the same. Go Coast organizes annual bicycle events like the River to Sea Bike Ride, Bike Month, the Go Coast Commuter Challenge, and the Brunswick Heritage Riverside Ride.
