

## **Wilmington Urban Area Metropolitan Planning Organization 2024 Legislative Agenda**

### **Transportation Funding**

*The Wilmington Urban Area MPO supports prioritization and funding for local transportation and infrastructure projects and the need to explore new transportation and infrastructure revenue sources to address the growing needs of the state and the nation. Including, but not limited to road, bridges and highway projects, public transportation, ferry, bicycle and pedestrian infrastructure, beach nourishment, inlet and waterway maintenance, coastal storm damage reduction, port infrastructure, airports, etc.*

*The Wilmington Urban Area MPO encourage the North Carolina Department of Transportation, North Carolina General Assembly, and Governor of North Carolina to explore and implement new funding mechanisms that could raise the funds necessary to accelerate much needed transportation projects.*

### **Transportation Project Priority- Cape Fear Memorial Bridge**

*The Wilmington Urban Area MPO Board has identified the replacement of the Cape Fear Memorial Bridge as their highest unfunded priority.*

### **Opposition to Transfer of State Road Maintenance**

*The Wilmington Urban Area MPO respectfully and urgently requests the North Carolina General Assembly reject proposals which would transfer responsibility for large portions of the state's road system to local governments and weaken or dismantle municipal Powell Bill Street maintenance funding.*

### **Limitation on City Requirements for Street Improvements Related to Schools**

*SL 2017-57 included language related to street improvements for schools. The Wilmington Urban Area MPO continues to be concerned that on non-state-maintained facilities where improvements related to schools are needed, the funding burden has fallen on the municipalities or the level of service on the roadways will be compromised. The Wilmington Urban Area MPO encourages the General Assembly to review this language and seek solutions to address this funding concern.*

### **Moped Legislation**

*The Wilmington Urban Area MPO supports the North Carolina Department of Transportation's policy recommendation of restricting mopeds on public roadways with posted speed limits of 45 mph or greater. The MPO also encourages the North Carolina General Assembly to implement laws that regulate the use of mopeds in a manner that promotes the safety and welfare of the citizens and visitors of North Carolina and pursue education and clarity on existing regulations for mopeds, golf carts, and low-speed vehicles.*

### **Electric Scooter Legislation**

*The Wilmington Urban Area MPO supports the use of electric scooters to provide an alternative mode of transportation so long as the scooters and/or bicycles are used in a safe and responsible manner, do not create visual clutter, and do not block parking or ADA accessibility. The allowance and/or use of electric scooters should be subject to local government control through their adopted codes and ordinances.*

**Electric Assisted Bicycle Legislation**

*The Wilmington Urban Area MPO supports the use of electric assisted bicycles to provide an alternative mode of transportation when utilized in a safe and responsible manner. The MPO encourages the North Carolina General Assembly to implement legislation defining e-bicycle subclasses. Locations of permissible use of electric assisted bicycles should be subject to local government control through their adopted codes and ordinances.*
