

Federal Infrastructure Investment and Jobs Act (IIJA) Surface Transportation Block Grant Program - Direct Attributable/ Transportation Alternatives Set Aside/ Carbon Reduction Funding Request Form

			Date:		
roject Information:					
Project Name:					
Project Location:					
TIP ID:	_ Total Project Cost:		Request	ed Funding:	
Existing Project?	Yes	No			
Primary Applicant:	_				
Secondary Applicant:					
Project Manager:					
Contact Person:					

Allocation of Points (100 points total):

In the following six (6) sections, you are to identify which points apply to your proposed project. In the event your project contains elements that are not listed, but for which you wish to obtain points, please submit a written justification. For example, upgrading the technology applied to an existing traffic control device or service could be a safety improvement (Section 1), or Capacity improvement (Section 2), or Multi-modal (Section 3) depending upon the application. Feel free to contact the WMPO prior to finalizing your application for further discussion.

1. Safety (25 Points)

Please identify which points below apply to the project. You may request a list of reported crashes from the appropriate jurisdiction, in addition to consulting the WMPO records. Provide any crash data and/or reports may be requested as supporting documentation (if requested).

a.	Reported Crashes over past three (3) years (up to 5 points):				
	i.	One (1) to five (5) – 2 points			
	ii.	Six (6) to ten (10) – 4 points			
	iii.	More than ten (10+) – 5 points			
	iv.	Other circumstances or incidents (provide narrative)			
b.	Crash pattern analysis (up to 7 points):				
	i.	Any pedestrian crashes? – If yes, 5 points			
	ii.	Percent vehicles only (100% - 3 points)			
	iii.	Percent vehicle/pedestrian-cyclist, if >0%, add 2 points			
	iv.	Percent other, if >0%, add 2 points			
	v.	Other circumstances (provide narrative)			
c.	Mode separation (proposed) – up to 5 points:				
	i.	No physical barrier (e.g. buffer space) – 5 points to correct			
	ii.	No vertical barrier (e.g. curb & gutter, fencing) – 5 points to correct			
	iii.	Time of day restrictions (e.g. peak hour No Left Turn)— 3 points			
		Turn/access restrictions (No Thru movements) – 3 points			
	v.	Road closures (partial or full) – 3 points			
	vi.	Other circumstances (provide narrative)			
d.	Upgrading physical infrastructure – up to 5 points:				
	i.	Narrow width sidewalks – 2 points to correct			
	ii.	Narrow width bicycle lanes – 2 points to correct			
	iii.	Installing transit shelters – 2 points			
	iv.	Other – up to 1 point (provide narrative)			

- e. Designating and installing dedicated routes (up to 3 points): _____
 - i. Part of existing Safe Routes To School 3 points
 - ii. Identified pedestrian crossings 2 points
 - iii. Bicycle crossings 2 points
 - iv. Closing gaps between facilities 2 points
 - v. Other circumstances (provide narrative)

2. Congestion Management/Capacity Improvements (25 points): _____

Please identify which points below apply to the project. You may use prior analyses, studies or technical recommendations to support the proposal. It this project includes more than one location, or proposes a system wide improvement (as opposed to a single intersection), please provide a narrative to assist the review.

- a. Adding thru capacity up to 10 points
 - i. Dedicated turn lane 5 points per direction, 10 points maximum
- b. Adding turn lanes at intersections up to 5 points
 - i. Conversion of dedicated lane to shared thru/turn lane 3 points
 - ii. Dedicated turn lane 5 points
- c. Restricting access up to 5 points
 - i. Limiting left turn movements 3 points
 - ii. Limiting thru movements 5 points
- d. Revising traffic controls to improve thru capacity up to 5 points
 - i. Upgrading traffic signal operations 3 points
 - ii. Upgrading intersection geometry 5 points
- e. Other capacity improvements (provide narrative)

3. Multi modal elements (20 points): _____

Please identify which points below apply to the project. We suggest your proposal reference any recommended practices, previously approved studies or technical recommendations. If this project includes more than one location, or proposes a system wide improvement (as opposed to a single intersection), please discuss this in the narrative to assist the review.

- a. Adding non-automotive capacity to existing roadways up to 4 points
 - i. Installing sidewalk 2 points
 - ii. Installing bicycle lane(s) 2 points
- b. Extending bicycle lanes up to 4 points
 - i. Extension < ½ mile 2 points
 - ii. Extension > ½ mile 4 points
- c. Adding recreational trails up to 4 points
 - i. New shared use path (SUP) 10 feet wide < ½ mile length 2 points
 - ii. New SUP 10 feet wide ≥ ½ mile length 4 points

- d. Upgrading transit infrastructure up to 4 points
 - i. Installing new transit stops (sign posts) 2 points
 - ii. Installing shelters at new/existing transit stops 4 points
- e. Reducing vehicle miles traveled (VMT) up to 4 points (provide narrative)
- f. Other multi-modal proposals (provide narrative)

4. Accessibility (15 points)

Please identify which points below apply to the project. Please provide assessments of existing conditions in the field, or documented deficiencies. Reference any and all recommended practices, design guides and/or standards in support of the proposal.

- a. Closing sidewalk gaps up to 6 points
 - i. Gap is < \(\frac{1}{4} \) mile in total length 2 points
 - ii. Gap is > 1/4 mile in total length 4 points
 - iii. Gap connects transit, school and/or trail 6 points
- b. New ADA infrastructure (ramps, pedestrian signals, markings) up to 5 points
 - i. Installing/replacing ADA ramps at intersection 2 points
 - ii. Installing ADA ramps and pavement markings (crosswalks) 3 points
 - iii. Installing pedestrian traffic signal equipment 5 points
- c. Removing/addressing barriers up to 4 points
 - i. New accessible roadway crossing 2 points
 - ii. New accessible roadway crossing w/documented crashes 4 points

5. Project Status (10 points)

Please identify the stage of the proposal to determine which points below apply to the project. If this is an existing project, please list the previous award(s) and amounts in the narrative.

- a. Design/Planning 5 points
- b. Right-of-Way acquisition 8 points
- c. Construction 10 points

6. Administration (5 points)

If this project was awarded STBGP funds previously, please identify the award year, amount, project manager, and the initial project schedule.

a. Prior project – 5 points

You may submit any questions or inquiries ahead of the August 11th pre-submittal review deadline in order to reserve adequate time to complete your submittal. Final submittals should be digital format (file transfer) with two (2) hard copies for review.
