2. WMPO 2026-2031 Strategic Plan

Mike Kozlosky introduced Leta Huntsinger, from WSP, who presented materials crafted from the original survey on focus areas and strategies, the SWOT analysis and feedback from the last session in March, and the prioritization survey. Ms. Huntsinger presented the current and proposed mission and vision statements for the Board to review and discuss. She reviewed the new focus areas individually and reviewed the proposed strategies for each focus area, while brainstorming additional strategies. Ms. Huntsinger continued by offering the results of the project prioritization exercise and discussing whether the Board approves of the project priorities. The Strategic Plan session was concluded by discussing what the next steps will be; finalizing the draft strategic plan, presenting it for Board review and refinement and finally completing the plan.
